

Merge with the River of My Voice

[Merge with the River of My Voice ~ Audio](#)

Precious remnant, this podcast is coming very quickly on the heels of the other one, but there's something very important that I want to share with you today, and it's time sensitive. I spoke in 'The Keystone Set in Place' about the preparations for the coming of the Antichrist and in the Green Gold Calf, I spoke about the climate summit, COP 27. Now there is a video that has been made by Doug Hagmann and Steve Quale that I would say is compulsory listening for anybody who wants to hear background information for what's going on behind the scenes. This video was made on the 17th of November and it's called [the Antichrist, the two witnesses and the third temple](#).

Please go and listen to that in there. Steve Quayle details the fact that while the public meetings were going on at COP 27 Summit, there were also private meetings held and he has been given information that, during one of those private meetings, the antichrist was crowned and anointed. So that is very important information and that's what makes sense about why they moved the main meetings to London, England. Remember in the Keystone Set in Place, I said that King Charles is acting like an antitype of John the Baptist, preparing the way for the coming of the antichrist and that the Lord was pointing me to William, his son, who is at the age of 40 at this point. If the private meetings were being held in London, England, then it would have been extremely convenient and easy for the crowning of the antichrist in secret meetings. So, please go and listen to that report or watch it and perhaps download the audio, as you may need to share it with others.

Today is the 21st of November and, for those who are following the early Barley Ripeness calendar (who are a month ahead of those who follow the orthodox calendar), it is the first day of Hanukkah (25th of Kislev). Hanukkah is an 8-day festival that celebrates the re-dedication of the temple after it had been cleansed from defilement by the enemy, Antiochus Epiphanes who had taken it over and slaughtered a pig on the altar. It also celebrates the eight-day supply of miraculous oil found to light the menorah while new oil was being made. So, for those who are following this Early Barley Ripeness Calendar, Happy Hanukkah! It is a good time to rededicate your own temple to holy purposes and to kingdom purposes in the next chapter that is ahead.

Now, what I want to share with you now is a word that builds on previous podcasts that have been done. God usually speaks a proceeding word. He very seldom speaks in isolation to me, but one word that He speaks builds upon things that He has previously said - and so a number of my previous podcasts are the foundation for this message. You can go right back as far as 'Scrolls for My Jewels', the 'Consecration of Straight Arrows', 'Jordan Logistics', 'Becoming His Weapon Of War'. All those podcasts build on what I'm going to share with you today. Do you remember on my birthday, the Lord said, "Prepare to be prepared for your audience with the King", and in another podcast, He showed me the Spirit of Elijah going to 'induct the Manchild into ministry'. And then there was the speaking of the daily washing with the water of the Word for 40 days. This represented the baptism by the Spirit of Elijah. It was the spirit of Elijah who filled John

the Baptist, and he was the 'voice' preparing the way for the coming of the Lord. John the Baptist's blueprint was to announce, "Behold He comes".

For the last week or so, the Holy Spirit keeps bringing to mind the constellation of Ursa Minor or 'the little bear', which, as I have mentioned in previous messages, has 24 stars and alluded for me to the Manchild company connecting to the 24 elders bowing before the throne, whereas Ursa Major represents the Bridal company. Ursa Minor is anchored to Polaris, the North Star, and just circulates around it in the heavens. It has seven major stars. What is very interesting is that yesterday the Spirit had me look at when the Orthodox Hanukkah is in December - it begins on the 18th of December, and during that time, there is a meteor shower coming out of Ursa minor. The star which is the radiant centre of the meteor shower, is called Kochab. It's a very bright star, 42 times the diameter of the sun. So, it's a very large star. 42 reminds us of the 42nd generation and it is the revealing of the sons of God that is connected to this. So, this particular star is sending out a meteor shower that lasts for the eight days of the Orthodox Hanukkah in December. Kochab means 'awaiting him who comes'. It is the Spirit and the Bride who say 'Come'.

The Holy Spirit is also highlighting for me the star Arcturus, which is in the left knee of the Boötes constellation, which also means 'cometh'. Arcturus means 'he who comes' and the constellation is depicted as a shepherd with a spear in his right hand and a scythe in his left hand. This speaks of judgment and war plus harvest all occurring at the same time. The star in the spear has a name which means 'the branch' ~ which connects us to Zechariah 6:12 and God's servant, the Branch, which operates as both a king and a priest from a seated position.

So, there's been a lot of emphasis on 'the coming', 'the coming', 'the coming'. And this is why it's important for the Early Barley Company or the Tip of the Spear to be washed with the water of the Word by the Spirit of Elijah for these 40 days. Now, the last 10 days of those 40 days with the washing of the water of the Word is occurring during the Early Barley Hanukkah, which is very significant.

So, now I want to share with you what the Spirit said to me on Friday, 11th of November. I was instructed to read Psalm 29, which is a psalm describing the effects of the voice of the Lord. And this is what the Holy Spirit said to me:

“Read Psalm 29 and become a part of His voice in the earth. To be a portal for His voice, your own voice, your own thoughts and your own plans must fall silent”.

Then the Father took over speaking, **“Merge with the river of My voice in the earth. Become fully one with My utterances, and the power contained in them will be operative through you”.** And He emphasized that word MERGE. So, I looked up ‘merge’. It means:

**to combine or unite to a single entity
to cause to be incorporated or to supersede
to lose one's identity by blending.**

So, this is what the Holy Spirit is emphasizing is happening during these days of the washing with the water of the Word. Remember in the Book of Revelation when John saw Yeshua or Jesus, he described Him as having a voice like the sound of many waters. The Holy Spirit is instructing us during these days of the washing of the water of the Word, to merge with the many waters of His voice in the earth, and to become completely ‘echad’, or one, with His utterances and the power contained in them.

John the Baptist, when asked who he was, did not say, “I am John, the son of Zechariah and Elizabeth”. He lost his identity by blending with his blueprint received by the Spirit in the wilderness, and he said, “I am the voice (or I am the sound) of one crying in the wilderness, prepare the way for the coming of the Lord”. There you hear that very important word ‘COMING’. And this is where the Lord began to speak to me about the constellation Boötes, which means ‘the coming’ and especially the star in the left knee, which means ‘behold He comes’. So, when He said, **“Merge with the river of My voice...”**, I said to him, “You know, Lord, that sounds really poetic, but how do we merge with the river of Your voice?” And He said to me, **“Fill your mind with My Word. Read it, listen to it, sing it, pray it. Crowd out every other thought of worry, fear or doubt. Let the sound of My Word be your inner wallpaper and your daily music choice”.**

You know, there are many Christian songs that are lovely, but they are not the Word being sung. And the Holy Spirit is emphasizing the singing of His Word as a daily music choice. Then He continued, **“By doing this, you are laying down layer upon layer of**

sound recordings in your own cells, in your muscle memory, in your bones. Let the water of the Word flow into and completely permeate the waters of your earthen vessel. And before long, you will find yourself buoyed up and carried in the direction of My kingdom purposes. Outer events will not suck you down, nor have the power to impose their deathly sound upon you. Wherever My river flows, everything lives.”

That is a quote from Ezekiel 47 about the river that had the different depths, the ankle, the knee, the loins, and then water to swim in. The Spirit is urging us to press into that river and become fully submerged in the water of the Word at this time. So, I wanted to share that with you during these last ten days of the washing of the water of the Word, which end on December 1st. For those of you who have heard my previous podcasts, this instruction for the 40 days with the washing of the water of the Word by the Spirit of Elijah came when my olive tree was severely pruned without my knowledge, and I received the last olive harvest and began to prepare and process it. Olives need to be washed daily for about 40 days, and then they get preserved or put into a state of protection and preservation from the destroying power of corruption.

Remember that what we are longing for and looking for is to be changed in the twinkling of an eye ~ where the mortal puts on immortality and corruption puts on incorruption. Now olives are corruptible in their natural state, but when they have been washed with water for about six weeks or 40 days and then immersed in preserving solution, then corruption puts on incorruption.

So, a few days after the Lord had spoken to me that the instruction to merge with the river of His voice, I was urged by the Spirit to go and spend some time alongside the river at a local park. This is a place where people walk their dogs and it's a very pretty setting; big oak trees and a lovely river with water running over the stones. He took me to a private place there and I was thinking much about this merging with His river as it washes over the living stones. Remember in my podcast, which is called 'Becoming His Weapon of War', where I spoke about the smooth stones that David took from the brook, and explained they are made smooth by days and days and days of washings with water. This river that He took me to had water rushing over beautiful, rounded stones that had lain in that water for many, many seasons. And I stood and watched it. I actually videoed the stones and I saw how they represented God's fully yielded living

stones, who are being washed with the water of the Word, and how the stones were absorbing the frequency of the river sound. The light of the sun was sparkling on the surface of the water and the movement of the water with the light was drawing liquid golden lines upon the surfaces of these stones. And I saw how the Spirit was showing me that there's an impartation of glory light to these stones, through the medium of the water, as they absorb the sound of the river combined with the light of the sun.

I actually picked up a beautiful, rounded stone that is perfect for a sling stone. I did make a video recording of that river and I am going to make a video of this message and put it on my Brighteon channel and include that video that I took, so you can see the liquid lines of gold and the glory light sparkling on the water and hear the sound of the rushing waters.

Now, something else very interesting happened in this last week. I purchased a new gas stove and, when it came and got connected up, I discovered that there was a part missing. That part that was missing was responsible for holding up the one end of the rotisserie arm in the oven, but what struck me as very interesting was the name of this piece was 'the sling arm'. As I had the oven installed, the Spirit was highlighting for me the scripture in Malachi 4, about the coming of the day that burns like an oven and the wicked will be left with neither root nor branch, but for you who fear My name, the sun of righteousness arises with healing in his wings.

So, I was thinking much of the day that burns like an oven being at the door ~ and it was very interesting that my 'sling arm' for the oven was missing. I arranged to have it supplied, but I had a sense that the Holy Spirit was highlighting the fact that the sling arm was not in place. Now the sling arm is the right arm. It's the arm that uses the slingshot and spins the beautiful rounded stone that's been lying in the brook and had the waters rushing over it towards the target. So, I had the sense that what the Holy Spirit was saying to me was that it is not yet time for the corporate rounded stone which is being made into a weapon of war to be placed in the sling and released yet. We still have another ten days of the washing with the waters of the Word by the Spirit of Elijah during this Early Barley Hanukkah. The impartation of frequency and glory light to the smooth stones lying submerged under the river of His Word is the final impartation and equipping that these weapons of war need, and then the 'sling arm' or the strong right arm of the Lord will select those fully willing and fully yielded.

Now, Peter writes in his one of his letters thatt the Lord is coming to be glorified IN His saints. So that is a very important scripture. He's coming to be glorified in us before he comes for us.

2Th 1:10 When he shall come to be glorified IN his saints, and to be admired IN all them that believe in that day.

I really feel that this emphasis of the Spirit on 'the coming'; Arcturus and Kochab with its meteor shower in the Orthodox Hanukkah (and Kochab means 'awaiting him who comes' and Arcturus meaning 'he who comes' and Bootes meaning 'cometh'), this emphasis on the COMING is pointing to the coming of the Lord to be glorified IN His remnant. In other words, an incredible impartation of glory, light and sound - a transfiguration, so to speak is appointed. Remember what the Spirit said when the Lord was explaining; He said that '**when the fully prepared are led by the Spirit to the edge of the wilderness, then there is a face-to-face moment**'. Remember during Jesus' transfiguration, He met with Elijah and Moses and His garments became as white as light before the eyes of the three disciples who were with Him on the mountain apart.

So, all this preparation by the spirit of Elijah is preparing us for a face-to-face moment; is preparing us for the moment when the strong right arm of the Lord selects a corporate living stone out of the river of His Word. This is where we've been yielded and allowing ourselves to be ministered to by the water of the Word, and the sound that is being imparted to us is the same blueprint and the sound that was imparted to John when he merged with the river of the Voice of the Spirit. The sound and the message will be to announce the coming of the King of Glory. The Lord said, "Prepare to be prepared for your AUDIENCE with the King". Now 'audience' is a face-to-face moment.

The Spirit of Elijah is busy washing us with the water of the Word to '**induct the manchild into ministry**'. I find it very significant that the antichrist was crowned and anointed in a secret ceremony during the COP27 Summit in London, because it means that the next stage of him ascending to rule has been put into gear. And this is why we see the emphasis on shot-in-the-arm passports being required for travel worldwide, and the call for one world financial system... and the repentance for climate sins. It's very

interesting that while the enemy are arraying themselves against the Lord of Hosts as Psalm 2 describes; the 'kings of the earth' were all at that summit, wanting to cast off God's restraints, yet God is ten steps ahead. HE is preparing his manchild company as weapons of war.

So, I really want to encourage you in the next ten days during this Early Barley Hanukkah to rededicate yourself as a holy vessel, and to do what the Spirit said when He spoke to me - **to MERGE with the river of His voice in the earth and become fully one with His utterances, because then the power contained in them will be operative through you.** And the way He said we must do it is to let the sound of His word be your '**inner wallpaper and your daily music choice**'. By doing this, we are laying down layer upon layer of sound recording in our own cells and in our earthen vessel so that the water of the Word completely permeates the waters of our earthen vessel.

Lastly, I just want to share with you the words of a song that brought back to me by the Holy Spirit. I cannot even find where I wrote this down in times past, but I was given three verses of a song by the Spirit recently, and I have definitely heard them before and it's very timely. Here are the words:

The set time has come for Your glory to be seen
The mystery of the ages is now to be revealed.
Your wisdom proclaimed to every principality
that Christ in us is the hope of glory.

We, Your people will be joyful, for our God has set us free
and we will praise Your name forever - You have brought the victory.
We declare Your judgments upon our enemies
as You send forth from Zion the scepter of Your strength.
Our God rules in the midst of all His foes

Arrayed in the beauty of holiness, We rise for our time has come.
This is the day of Your manifest power. This is the day for Your will to be done.
And You shall be seen over Your people. The glory of God shall rest on the Bride.
This is the day. This is the day.

The coming of the Day of the Lord is darkness and not light for those who are wicked, but for those who are His, It is a time to arise and shine, for the glory of the Lord will be upon us. And though dense darkness covers the people, His glory is going to rise upon us. So, I want to finish by adding psalm 29 because it is describing the voice of the Lord and the effects it has. The washings with the water of the Word that permeate and become one with our earthen vessel and fill our spirit with the sound of His words - THIS is the effect it has!

Ps 29:3 The voice of the Lord is upon the waters. The God of glory thunders. The Lord is upon many waters. The voice of the Lord is powerful. The voice of the Lord is full of majesty. The voice of the Lord breaks the cedars. Yes, the Lord breaks in pieces the cedars of Lebanon. He makes them also to skip like a calf; Lebanon and Sirion like a young wild ox (that's describing an earthquake taking place and mountains being shaken and moving). The voice of the Lord splits and flashes forth, forked lightning. The voice of the Lord makes the wilderness tremble. The Lord shakes the wilderness of Kadesh (or the wilderness of holiness). The voice of the Lord makes the hinds bring forth their young. (There we have the voice of the Lord bringing about birthing). And his voice strips bare the forests while in his temple, everyone is saying Glory. The Lord sat as king over the deluge. The Lord still sits as king forever. The Lord will give unyielding and impenetrable strength to His people. The Lord will bless His people with peace.

And how does He give unyielding and impenetrable peace and strength to His people? By filling them with the sound of his voice - and His voice is like the sound of many waters. So precious remnant, saturate yourself with the river of His Word, in these days, as we complete the days of the washing by the spirit of Elijah. Download an audio version of the Bible onto your mobile or computer and listen while you go about your day. Pray and ask the Spirit what portions to listen to. Find songs which are just the pure Word being sung. Wallpaper your heart with the audible Word and let the layers of frequency be laid down within every cell.

Selah.
