

A TIPPING POINT WEEK

7 August 2024

[AUDIO VERSION](#)

Good morning, Remnant.

Well, there is a lot of stuff going on, on the world stage at present, and I'm sure all of you are feeling the pressure in the spiritual realm. Now it is only Wednesday of the week, but a lot of things have happened in the last couple of days, so I wanted to share this with you because it is going to equip you with tools for the rest of the next 4 weeks for you to hear and see.

God always operates in patterns, this is why Jesus died on the cross on the exact day, at the exact time, when the lamb was slain in the temple for the sins of the nation of Israel. God always works in patterns, so when we look at His patterns in the Old Testament, it helps to give us a network and a framework for understanding of the times that we are in.

Now I want to just go through significant things that have happened from Saturday of this week, the 3rd of August. Then I am going to go through the Early Barley Ripeness Calendar, what are the patterns that are in that for the Month of Elul, and what is going on in the Hillel calendar in this month of August. The Hillel calendar is the one that the elites use when they connect to trigger their occultic events because many of them say they are Jews but are not of the synagogue of satan, and so they tend to want to hinge on certain dates of the Hillel calendar, so I am going to discuss that as well. I am going to be jumping between the two calendars; the tip

of the spear using the early barley ripeness calendar, and the established Hillel calendar which the nation of Israel uses.

- **3rd Aug** – Holy Spirit told me of a plague to be released at the Olympic Games, whether airborne or through water (I am not sure how), and athletes and spectators will travel to all nations of the world as disease vectors. There will be an incubation period and then it will break out everywhere. I don't believe this is the plague that is similar to Ebola, I believe that it is another bio-engineered type 'flu, but much more severe than the last one we faced.
- **4th August** (Sunday) – Mt Etna in Italy had a volcanic eruption. This is the tallest volcano in the world, and I really felt that it was a trumpet, a Shofar blast in the spirit to announce that something is coming.
- **5th August** (Monday) – The Japanese stock market crashed 12½%, affecting all other markets worldwide. If you are familiar with David Wilkinson, who used to have the Time Square Church in New York before he passed on to be with the Lord, God gave him a number of words concerning the end times, and he has one word which says that when you see the Japanese stock market crash, it is a trigger that sets off the financial collapse worldwide. I haven't listened to that word again, you must look for it on YouTube or a text version, I think he said that when you see Japan go down you will have about two weeks, those of you who live in America, to get your cash out of the banks, but don't quote me on that, go back and listen to the word.

All Friday I felt such pressure in the Spirit and I kept seeing a fulcrum, a stylized simple fulcrum looking like an equilateral triangle. Later on during the day, the Lord added a horizontal line at the tip of this triangle symbolizing a fulcrum holding up something that was in balance, and I had the sense that this week that we are now in is a 'fulcrum week' - a 'tipping

point' week. When that horizontal line above the triangle tips, one side goes up and the other side goes down, whatever that may pertain to on the world stage.

On Monday night, as I went to sleep, I had a quick flash vision of the neck of an hourglass and the last few grains, very few, began to trickle through the neck of the hourglass. Now when all the grains in the top of an hourglass have gone through, it means that THE TIME IS UP. When I watched those last few grains trickle through, one after the other, they followed one another quite quickly, and then it was done, and then I heard the Lord say, 'THE COUNTDOWN HAS BEGUN'.

I said, "To what Lord?" "To war", He said. Then I heard 5 4 3 2 1 blastoff, a countdown being done. I don't know how many grains I saw in that hourglass neck, but it could easily have been about five. I didn't count them when I saw the vision.

Green highlighting concerns the Hillel Calendar

Blue highlighting applies to the Early Barley Calendar

On Monday night the new moon was sighted in Israel by two or more witnesses, which means that the new Hebrew month began that night. Therefore, the 6th August, Tuesday, is the 1st of Elul for those who are identifying as the tip of the spear and following the Early Barley Calendar.

Of course, the Hillel calendar is set for many years ahead, and doesn't go by actual unaided human sightings of the new moon, and so they had their 1st of Av on Monday 5th August. Yes, the day the Japanese stock exchange crashed was the 1st of Av in the Hillel calendar. It is a day when the three weeks of mourning enters an intensified period of mourning, which is very interesting, that it should occur on that day.

- **6th August** (Tuesday) – interestingly this is the 1st day of the 2nd month Islamic calendar (the 1st month of the Islamic calendar is considered a holy month and therefore war is forbidden). If you are wondering why Iran did not attack Israel on Sunday night or Monday, it is because they were still in their first holy month.

Let's go back to the Early Barley Calendar, the 6th of August being the 1st of Elul. What is the pattern that was shown in the Old Testament, what happened on this day? On 1st Elul, Moses ascended Sinai for the third 40 days with God and descended on Yom Kippur with the new tablets of covenant. Yom Kippur is 40 days after the beginning of Elul!

I am going to go through some of the days of August, and discuss which are pivotal days concerning God's patterns in both the Hillel and the early barley calendar, so that, as you walk through the month of August, you can, with the Holy Spirit, get understanding of the times concerning your own walk.

- **7th August** (Wednesday, today) 3rd of Av on the Hillel calendar, when the Pentecost of wine occurred, when the priests in the temple threw out the old supplies of wine, because they were considered contaminated, then processed a new wine offering and offered it at 9 o'clock in the morning, and then the rest of the grape harvest could begin to be brought in.

Interestingly, there are many people who believe that when it says in Acts Chapter 2, '*when the day of Pentecost had fully come*', it was referring to the Pentecost of wine, and this is why Peter, when he was explaining to those seeing the people talking in other tongues, said, "It is only 9 o'clock in the morning, these people are not drunk", referring to the time when the priests did the new wine offering, so there would be no wine available to the population until the Pentecost of wine offering had been done. So that is something to think about...

- **11th August** is blastoff day in the countdown I heard, and it is also the day the Olympic Games end. So, this is the day that all the people who are plague vectors go back to their home nations worldwide and the incubation period of the next plague will play out. I don't know how long it will be, probably 10 days or a week, somewhere around there. I don't believe this is the Ebola-like plague, but another bio-engineered serious 'flu virus. Please take the time to really build up your immune system in the next 10-14 days. I have a concoction I make; I take dried elderberries and simmer them on the stove in filtered water, add a cinnamon stick, cloves, add lots of fresh sliced ginger and a few chopped up olive leaves. Olive leaves are like a natural antibiotic. All these things really boost the immune system. You can have it warm with fresh lemon juice and honey. That is how I build up my immune system.
- **12th August** – On the Monday night 12th August, at 6pm, an exact week from me seeing the fulcrum, and hearing that the countdown has begun, the 9th of Av on the Hillel calendar begins.
- **13th August (Tuesday)** is the 9th of Av on the Hillel calendar, the anniversary of the day both temples were destroyed in history, so that is really a date to watch and pray around, concerning destruction happening in the land of Israel.
- **15th August (Wednesday)** is the 10th of Elul in the Early Barley Calendar, the day Noah dispatched the raven who found no place to rest its foot and carried on flying over the waters. It did not return to the ark, which is quite interesting because a raven is an unclean bird, and it almost seems like there was a purifying going on in the ark, with getting rid of the raven. It represents the release of an unclean sound into the atmosphere, moving backwards and forwards over the waters of judgement.

- **22nd August** is the 17th of Elul in the Early Barley Calendar, it's the day Noah dispatched a dove who found no place for its foot and returned to ark.
- **27th August** is the 22nd of Elul, the day of Pentecost of New Oil when the first fruits of the olive harvest were brought to the temple and the first fruits offering of olive oil could be offered to the Lord, so that the olive harvest could begin to be brought in.
- **28th August** is the 23rd of Elul, the day the second dove, I don't know if it was the same dove or one of the pair, brought an olive leaf back to Noah, which is so interesting because the day before is the Pentecost of new oil, and here an olive leaf comes back to Noah. The 23rd of Elul is after the day of the Pentecost of new oil, and also the day the wood offerings began to be brought to temple for 6 days. This was not considered a festival, it was just stocking up the temple with wood, which tells you that the axe was being laid to the root of certain trees, speaking of a time, 6 days, basically a week of judgement on those in which is found no fruit of repentance.
- **30th August** is the 25th of Elul in the Early Barley Calendar, the anniversary of 1st day of creation, when God said **"Let there be light"** which is interesting because there has just been new oil offered in the temple, 3 days before, and then God says let there be light, and obviously oil was used to create light with the menorah.

So, going by these dates, **4th/5th September** will be Rosh Hashanah **5785 for the tip of spear**, depending on which day the new moon is sighted. It is most likely going to be sighted on the 4th September, I think it is about 3% visibility on that night. The morning watch year is then ended for the tip of the spear, and we start the 1st watch of the day when the Son of

Righteousness arises with healing in His wings. The judgement is executed on the unrighteous, the day that burns like an oven is launched.

So, I want to discuss the stylized fulcrum that I saw, that basically looked like an equilateral triangle. It is a delta sign. The Greek letter delta is the fourth letter in the Greek alphabet, and it is designated by a triangle. It is a derivation of the dalet/dalet letter in the Hebrew or Phoenician alphabet, which is also the 4th letter. The Phoenician letter dalet was used to define doors/gates. Those of us who follow the Bridegroom, there is the opening of a door at this time.

The delta symbol is used in many different instances to designate certain things.

- In a maths equation, for instance, the delta symbol means change for any quantity that can be changed. The delta letter in Greek alphabet actually is the first letter of the word for difference in Greek language. When I saw that fulcrum or that delta symbol on Monday 5th August, it was signifying change.
- In a chemistry formula for reactions, a delta symbol means the addition of heat, also very significant in this fulcrum or delta week. This is a week bringing change, it is bringing an addition of heat.
- In genetics the delta symbol is used to denote deletion of a gene. This is also very significant.
- In music, more accurately in jazz, delta represents a major seventh chord.

A fulcrum with a horizontal line added at its tip is a depiction of a tipping point being triggered, so this week is triggering a tipping point. A tipping point is the critical point in a situation, process, or system, beyond which a significant and often unstoppable effect or change takes place. So, the things that are occurring in this week we are in in August; tipping point week, is going to have an unstoppable effect and change. A tipping point

is when one crosses a certain threshold and gains significant momentum, triggered by some minor factor or change, the point at which a series of small changes or incidents becomes significant enough to cause a larger, more important change.

It may not look like not much is happening this week, but logistics are underway. Remember logistics are to do with troop movements and supplies. Countries have chosen sides in the Middle East war, troops and weapons are being moved into position. American military leadership have been in Israel, Russian military leadership have been in Tehran, and Sudan and Libya are being used for armory and weapon storage and launching bases.

The shares of Lockheed Martin – among the world leaders in the war industry – have risen 23% on Monday 5th August, while global markets have suffered significant declines. That tells you that war is at the door! Remember the Lord said a countdown has begun. On the 6th of August, I asked Him more about that. I said, “Lord, do you mean nuclear war?” and He said, “**I do.**” That is a terrifying response. The Lord is warning that nuclear war is coming soon, in this year of 2024, and it is coming right as the year 5784 draws to a close. This will be what brings massive change, delta. This will be what turns up the heat, and of course the release of another plague via the Olympics disease vectors is also going to turn up the heat and bring massive change.

You can expect lockdowns to be coming. We have all been through that once before. We know what it is like. This is going to be more severe, and of course we are also seeing as part of the change, or delta, increasingly strict controls on internet access and social media access. In Australia, they have passed measures to say that people will need to have 100 credits on their social credit score in order to be able to access social media and even private messaging and police will have access to all your social media.

The heat is turning up. The day that burns like an oven is beginning. This week is the tipping point week, the fulcrum week, that ushers in all these changes. Remember, a tipping point is when a certain threshold is crossed, and significant momentum is gained. Momentum for what? Momentum to bring in the New World Order and all its schemes and plans. Things have been laid in place, and this is the year in which there is going to be a greater momentum in war, in the movement towards the one world monetary system, in the movement towards draconian control, and in ushering in of yet another plague.

Remember what Psalm 91 says,

"He will deliver you from the snare of the fowler and from the deadly pestilence... It shall not come near your tent." Your tent is your human body, it is the tent you live in and the tent you put off when you die. It shall not come near your tent, as you hide yourself under the wing of the Almighty and make Him your shelter. All around you there are going to be people dying in the thousands, but you will only be a spectator as you witness the reward of the wicked.

(I want to tell you I have had so much opposition to recording this podcast. I have had a number of interruptions, I have had to start re-recording it a number of times, and I am not going to stop again. You are just going to have to endure what is going on in the background if I don't manage to remove it all in my editing process.)

The logistics are underway in this tipping point week. Winston Churchill said, referring to World War II, "This is not the end, it's not even the beginning of the end, but it may be the end of the beginning". I think we can probably apply that here.

The Lord took me to Luke 17 where Jesus was discussing the day of the Lord, and he refers to Noah & Lot. He says that it will be the same as what happened with the Noah and Lot situations on the day of His appearing. That word 'appearing' in the Greek is 'to take off the cover, to disclose, to reveal'. We have discussed many times before He is coming to be revealed and glorified within His remnant saints, before He comes for His saints. So, in the day when this happens, the Noah & Lot situation and the judgements rolling out are going to be happening. This adds a lot of meaning to Malachi 4, having just spoken about those who fear the Lord being named in the Book of Remembrance, and then being displayed as His jewels at the end of Malachi 3. Malachi 4 says that the day is coming that burns like an oven, which leaves the wicked without root or branch. Remember that a branch can symbolize a son, as in a genetic line, and the root would be parental. So, it is talking about a 3 generational judgement; grandparents, parents and children of a wicked line will be removed - but for those who fear His Name, the Sun of Righteousness is going to arise with healing in His wings.

Where is He arising? He is arising within us, and the healing is in the wings of the marriage covenant, the 'kanaph' of the marriage covenant, and there will be a great joy amongst those who experience the appearing of the Lord within their earthen vessels.

In Luke 17:32 Jesus says that those who are on the housetops mustn't go back to fetch their stuff, they must just flee, those in the field don't go home to fetch your stuff, just flee. It is speaking about not having an attachment to earthly possessions, but in instances where your life is at stake, you need to preserve your earthen vessel.

Verse 34, let's read that, *"I tell you, in that night there will be two in a bed, one will be taken, and the other will be left."* So, it is referring to a night, the word is 'nux' in Greek, and it also means 'midnight'. Remember, it is at midnight that the cry goes out that the Bridegroom comes. So, there

are two in a bed; the translators sometimes put 'men' but it doesn't say 'men' it just says 'two' (duo) in a bed. It doesn't refer to the gender at all. One will be taken, the other will be left.

Now let's look in more detail at that, so we can clear up once and for all who is getting taken and who is getting left behind. The word 'taken' is G3880 'paralambano', it means 'to bring near, to associate with oneself'. In other words, the Lord is saying, "This one is MINE, being brought near." The word 'Goshen', where the family of Joseph were settled in the time of famine, that word means 'to bring near'. It is speaking of a place of protection and provision, because of being associated with Joseph, the forerunner. Jesus is the Forerunner, and when He takes one of the two in a bed, it means He is bringing them near, marking them as His.

Then it says, *'And the other shall be left.'* Now this is significant, because it doesn't say one shall be taken and one shall be left. It says the 'other' shall be left, and I will tell you why it is significant. That word 'other' G2087 means 'altered, strange, different'. Isn't that amazing! The one that is left to endure judgement is altered, strange, different. Could this be referring to those who have had their DNA altered by the introduction of foreign DNA and the switching off of certain genes, and the interruption of the Name of the Lord that is recorded all through the human DNA spiral, by inserting foreign DNA. Those who are altered, strange and different are left.

The word 'left' is G863, 'aphiemi'. It means 'to send away, to forsake, to divorce!!' Isn't that significant? So, He is separating between sheep and sheep in this hour, in this night. For some He is saying, "Yes this sheep is mine", for the other one He is saying, 'No, this one is strange, I don't know this one. This one is altered, this one is different, I am sending this one away, I am forsaking this one, I am divorcing this one.' How powerful is that fact!

In this night of trial, at midnight, when the call goes out that the Bridegroom is coming, even in a bed, in the closest of relationships, in a marriage relationship where there are two in a bed, He is dividing between sheep and sheep. One is being identified; "This one I take unto Myself, I tuck it under the wing of My covenant. The other one, no, this one is strange, foreign, altered, not what it used to be, leave this one to experience judgement". That is a thing that brings the fear of God into one's heart.

In Luke 35 it says there are two women grinding. It doesn't say 'women' in the Greek, it just says 'two'. One is taken near, the other one is sent away and forsaken, left to endure judgement. Verse 36, two in the field bringing in the harvest; these could be two who call themselves believers but one is identified as 'Mine' by the Lord, and the other one is identified as 'altered, different', and is forsaken and left to face the rolling out judgements.

Whew! That is quite something. He is dividing between sheep and sheep; some are taken near, these are Mine. What does it say in Malachi 3? Those who fear the Lord, *"And they shall be Mine in the day when I openly declare My jewels."* In other words, those who are sent away or divorced were at one time associated but at the time of His manifestation or appearing, or unveiling within, those ones don't make the grade.

Look at the case with Noah and Lot, they were righteous men, grieved by the sins around them. God basically said, "Judgment is coming but I am going to make sure that the righteous are untouched by it. Noah, you will be protected because you are Mine". "Lot, I am taking you out of the place of judgement, I am sending My angels to thrust you out, because you are Mine".

Look at Revelation 7:3, the angels are told they can't harm the earth, the trees and the sea until the bondservants have been marked. In other word, "This one is Mine. Pass over him when meting out judgment".

In Rev 9:4, the locusts released from the bottomless pit cannot touch those who are sealed and marked. That word 'seal' is G4972. It means 'to stamp with a mark or signet for security or preservation'. That is what the sealing of the bondservants is about. The same as in Ezekiel 10, where a city is judged. "Go through this city and mark those who are grieved over the state of the city, and do not let them be touched by the judgement." That is a pattern of what is going to be happening in this time, the day that burns like an oven. Separation unto protection and security and preservation, or separation unto judgement. One taken near & one left, forsaken and divorced.

In Luke 17, I think it is verse 36, after He said that some will be taken, they obviously understand the word that He is speaking to them and the disciples ask, "where Lord? Where are they going to be taken?" He says to them something very cryptic. *"Wherever the body is, there will the eagles be gathered."* That verse has been chewed and interpreted in 101 different ways, but let's just go back to the basic Greek words used.

It says, *'Wherever the body is'*, in other words all these people are not going to be taken to one specific place. They are not going to be taken near and then carted off to Petra or to Israel. There is not one specific place where those who identify as the Lord's, marked for protection and preservation are - they are not going to be taken to any specific place. Jesus clarifies, He says '**wherever** the body is..'. What does the word 'body' mean there is the Greek? It means figuratively a 'slave' i.e. wherever the bondslaves gather together, that is where you will find them, that is where you will find those who have been taken near, who have been

identified as His, who have been marked for preservation and protection. Wherever the bondslaves gather together, there will the eagles gather.

So, what is the word 'gather together' in Greek? It is 'sunago', 'to lead together, to convene, specifically to entertain and show hospitality to'. It is alluding to a feeding and a sheltering. The Bride in Revelation 12 is carried by wings of giant eagle to a place where she is shown hospitality, fed and kept safe for 3½ years.

GATHERED TOGETHER - to lead together, to convene, specifically to show hospitality to. So, wherever the body is, there will the eagles be gathered together. In whatever place on earth where the bondslaves are found, those who are the eagles will be convening and will be fed and protected. HALLELUJAH!!

Now, when I read that phrase, 'Gather together', it triggered something for me. Sometime ago I shared a message called 'The Twinkling of an Eye' and in Part 2 (Aug 2022) I shared something about fragments being gathered together. I am going to read it from that message, keeping in mind those who have been marked, those who have been sealed, those who have been identified as being in a state that they are known of the Lord, they are His jewels, they are going to be brought near, they are going to be gathered together.

'The next morning as I sat with the Holy Spirit asking for further revelation on this transfiguration that would be shortly taking place, He prompted me to look up all the instances where the Greek word G142 appeared, remember G142 means 'to bear up, to lift up or to loose and bear away'. And the very first scripture that He highlighted for me was used in the feeding of the 5000. You remember that it was late in the day and the crowd was hungry and Jesus got them all to sit down. And he took the available food, which seemed a small amount, the five loaves and the two

fishes, blessed it and broke it, gave the loaves to the disciples, and they fed the multitude. And Matthew 14:20 says,

"and they did all eat and were filled. And they took up of the fragments that remained, 12 baskets full".

The word translated 'took up' in that verse is G142. They lifted up and carried away the fragments that remained. And then the Holy Spirit opened my eyes to the fact that these fragments that 'remained' represented the remnant. They were what was left over; the broken pieces - the remnant that was broken and lying in the dust was lifted up. They were gathered together, and they were lifted up together. And I want to say to you, Remnant, that the Lord has laid hold of your life, and after blessing it, He broke you and He used your life to feed a multitude right up to this point. And now you find yourself as broken piece of bread, a broken remnant lying in the dust. But there comes a point; a moment when the broken remnant is taken up, gathered together and lifted up, and there are 12 baskets full, which is very significant.

The breaking of bread is a profound thing - do you remember on the road to Emmaus when the disciples asked Jesus to stay with them a bit longer as they went to their lodgings? He broke bread and as He did so, their eyes were opened to see Him. So, in the breaking of your life as bread, the eyes of others have been opened to see Jesus. And it has been a costly breaking for you, because you have borne the breaking time after time, but the result of it has been the opening of the eyes of others to see Jesus as never before. The word for bread, 'lechem', also means 'fruit' and it also means 'war'. So, the broken bread; the broken remnant is the broken fruit. Doesn't that sound like the crushing and the breaking of the olives and the grapes which we have spoken of with the Pentecost of wine and oil recently?

In Exodus 16:22, on the sixth day, God's people in the wilderness were instructed to gather twice as much of the bread of Heaven. A double portion was gathered to sustain and feed the people in the wilderness on the day of Sabbath rest - which is the day where no man can work. And precious remnant, those that find yourself lying in the dust, broken, your gathering and your lifting up is to feed the church in the wilderness on a day when no man can work.

Now, what is the purpose of the gathering and the lifting up of the broken remnant? Well, there is a key in the fact that there were 12 baskets. 12 is the number of authority and government and the word in there for 'basket' is a small wicker hand basket. It's a different word for 'basket' used in the second feeding of the 4000. But this one that we are focusing on here in Matthew 14, was a small hand basket. Those 12 baskets were hand-picked, chosen, broken remnant pieces that were gathered together. And I also want to say to you that in the gathering together, there is a dealing with the loneliness that the broken remnant feels at this time. Many, many of the remnant have been lying in the dust, waiting for the lifting up. And there has been such a loneliness because of the isolation and not being in touch with other members of the broken remnant. And I want to say to you that there is coming a gathering together, there is coming divine connection between one broken remnant piece and another. There is a gathering together in a basket by hand and a lifting up.

The Holy Spirit showed me that Jesus fed a multitude twice because there is a message and a key for the end time company in the two gatherings - and we see it in Revelation 12 with the lifting up of the man-child to the throne and secondly, the raising up and the carrying of the woman with the wings of the great eagle to the place prepared. I believe the first feeding of the 5000 and the gathering of the 12 baskets of broken remnant represents the gathering and the lifting up of the man-child and the next feeding in Matthew Chapter 15 of the 4000, which yields seven baskets of broken

remnant is the gathering and the lifting up of the woman that is taken to the wilderness to be fed and kept safe for three and a half years.....'

I am not going to read the whole of Twinkling of an Eye Part 2 to you. You can go back and find it on my website. It was from August 2022, I believe. I want to scroll down to a part where it discusses something important for this very time, we find ourselves in.

'In Exodus 15:9, the enemy declares his intentions concerning God's people, and there are actually six things he says he will do. I want you to read carefully, because in this time we find ourselves living when the enemy has once again openly declared and decreed what he wants to do to the people of God as they come out of the world's system and out of Egypt.

The enemy said:

- 1. I will pursue,*
- 2. I will overtake,*
- 3. I will divide the spoil.*
- 4. My lust shall be satisfied upon them.*
- 5. I will draw my sword*
- 6. My hand shall destroy them.*

Six things the enemy declared as his intentions. That is the purpose outlined by the enemy against the people of God. In 2022 Yuval Harari, who is the right-hand adviser of Klaus Schwab of the World Economic Forum, said that we have no need the majority of the world population. You see the enemy has sons of the right hand too.... The enemy is not hiding his schemes anymore. He is beginning to openly declare his desire to pursue, overtake, draw his sword and destroy most of the world's population. But Exodus 15 tells us that God's right hand is used to overthrow and break in pieces those who rise up against Him.

Another scripture that the Holy Spirit laid me to about the gathering of the broken remnant is in Micah 2:12 it says, "I will surely assemble, O Jacob, all of you. I will gather the remnant of Israel. I will put them together as the sheep of Bosrah, as a flock in the midst of their fold, and they shall make great noise by reason of the multitude."
What a beautiful scripture!'

The other message that the Lord brought to mind in this fulcrum week, this tipping point week, is a post called, "The Pressing of the Sons of Oil" from Aug 2023 - 1 year later after the Twinkling of an Eye post. I suggest you also get that off my Storehouse page and read it, because we have the Pentecost of Oil coming up for the tip of the spear company on 27th August, and I think we can agree that we have all been experiencing pressing, and it is about to become an even greater pressing, as the Holy Spirit brings forth a first fruits offering of fresh oil for use in the end time corporate temple of the Lord.

Remember that I spoke in the last message about the vision Zechariah had of the two branches that supply the oil continually flowing, which are the two witness companies, formed out of the remnant that is identified and taken near as His in the day of His appearing within us to be glorified.

I pray that I have given you some important tips for navigating this month of August, according to God's patterns, and His prophetic typology. I would suggest that you take a calendar page and you write down all the historical anniversaries of the various things I mentioned, both for the Hillel calendar and the Early Barley Calendar, because we are in a pivotal month and we are in a fulcrum week, a delta week, a week where change and an increase of heat is happening and there is going to be a momentum to the changes. They are going to happen quicker and quicker, and they are going to happen all around you, and you must be prepared in your heart.

So may the Lord bless you and keep you, may He cause His face to shine upon you, and may He be gracious to you, and may He grant you His peace. For all of you, I pray, that you may be strengthened with might, out of the rich treasury of His glory, to exercise endurance and patience with joy in these times. Hold onto your hope, pray for greater understanding of the times, so that when you stand at the crossroads, you hear the voice behind you saying, 'this is the way, walk in it'. Great change is here. We are coming to the very last vestiges of the year 5784 as the tip of the spear. We are navigating spiritual atmosphere that the rest of the spearhead has yet to encounter, but on the world stage there is an increased period of mourning and disaster being entered as the Hillel calendar goes through the first week of the month of Av.
