

## Gleaning More from the Warning Dreams

29<sup>th</sup> Aug 2024

[AUDIO VERSION](#)

First of All, I want to just share the very graphic message the Lord unfolded in my own body. As many of the remnant are, I am extremely tired from the length and pressure of the preparation period. My physical body is taking a lot of strain. So, for the last short while, basically from just before the time of my dream on 16<sup>th</sup> August, I have been making use of three different supportive aids on various parts of my body – a brace on my lower back, another on my left arm and a third on my left ankle. As I contemplated the fact that my body seemed to be falling apart, I heard the Lord say, “Brace, brace, brace for what is coming!” A therapist confirmed that I had shin splints in both my lower legs and remarked that it is usually an injury suffered by runners! I wanted to laugh because with the back issues I have, running is out of the question! However, as I pondered this, I realised that I was carrying in my body a prophetic depiction of the state of the weary remnant who have been running a very long endurance race for far longer than we expected to! Paul’s phrase ‘pressed out of measure’ has never felt more suitable!

*2Co 1:8 For, brothers, we would not have you ignorant of our trouble which came to us in Asia, that we were pressed out of measure, above strength; so much so that we despaired even of life. 2Co 1:9 But we had the sentence of death in ourselves, so that we should not trust in ourselves, but in God who raises the dead;*

And in these verses, he explains that the purpose of the pressing is to transfer any trust we have in human ability or strength onto God and His ability to raise the dead. I have to say I am daily thanking God for His ability to raise the dead and rejuvenate fragile earthen vessels. I take heart in the fact that the Word tells us there was not one feeble person amongst the Israelites who left Egypt (psalm 105:37). That is astonishing! After all those years of slavery and the whips of the slave masters, there had to be many injured, many crippled, many weak. Yet, when they left, marshalled in ranks all trace of this weakness and inability had been removed. I believe God touched His people and made them whole even as the Destroyer passed over the households of Egypt! And so it shall be for us! But we must brace ourselves for what is about to break upon us suddenly while still in this world system.

Now let's go through those two warning dreams again, so I can expand on the understanding the Lord is unfolding to me.

#### Missing the wedding dream –

The bread table represents examining and tasting of different ministries, those who prepare and serve up the bread of the Word. New and interesting ones have appeared recently and what they present is quite fascinating and unfamiliar. THIS is what caused me to miss the wedding, a very unwise use of very limited time.

I didn't share it in the last podcast but after studying the bread table and specifically the square loaf I hadn't seen before, I noticed that there were two tall pine trees outside. High up on the one, there was a recipe for this bread tacked up. So, I climbed up the tree using my leg muscles like a monkey because there were no branches to hold on to. When I got to the level of the recipe, I saw there was a rope strung between the two trees like a tightrope and there were a whole lot of young men as close as sardines in a tin precariously balancing and inching their way across the tightrope. It seemed like part of an obstacle course. What does this depict? I sense by the light of

the Spirit that that novel square bread with all its additions represents certain ministries that have recently come on the scene, giving the impression of being more skilled, at a higher spiritual level and advanced than the run-of-the-mill old-fashioned preachers who just present simple loaves of the Word.

The fact that the recipe to produce this bread was pinned so high up depicts ridiculous heights saints are urged to go to, to be acceptable to a modern interpretation of the Word's contents. They have to do what those young men were doing in great numbers, ridiculous circus tricks in order to perform what is said to be required by God. In actual fact, the gospel is simple and one doesn't need some newfangled thing to get people's attention and money. Sadly, that square loaf has many slices cut off it, while the simple rye and wheat bread had not even been touched. People love the new and the complicated, but as my dream shows, these are the very ministries that are time-stealers, no matter how attractive their contents seem to be and how carefully laid out and presented they are. They have an appearance of wisdom but it is very likely a demonic wisdom intended to entice like the apple did Eve. You will end up missing the wedding if you allow yourself to be sucked in by such complex and seemingly advanced spiritual presentations. There is very little time left to get ready!

So, in the runup to the wedding, what must you do if you don't want to miss it?

I asked the Lord and He said, **"Fast!"**

From what, Lord?

**"Fast youtube videos, ministries, other people's bread. Come to Me alone and I will get you ready for the wedding. I know what is lacking, I know what time is left and I know what I will need to work in You in order for you to make yourself ready!"**

Wow, this is probably going to be the most difficult fast one has done in a long time! Then He took me to Revelation 3 and the 3 messages to those particular churches:

*Rev 3:2 Rouse yourselves and keep awake, and strengthen and invigorate what remains and is on the point of dying; for I have not found a thing that you have done [any work of yours] meeting the requirements of My God or perfect in His sight. Rev 3:3 So call to mind the lessons you received and heard; continually lay them to heart and obey them, and repent. In case you will not rouse*

*yourself and keep awake and watch, I will come upon you like a thief, and you will not know or suspect at what hour I will come.*

This is connected to what Jesus said in Matt 24, just after the description of one being taken near and the other being left:

*Mat 24:42 Watch therefore [give strict attention, be cautious and active], for you do not know in what kind of a day [whether a near or remote one] your Lord is coming. Mat 24:43 But understand this: had the householder known in what [part of the night, whether in a night or a morning] watch the thief was coming, he would have watched and would not have allowed his house to be undermined and broken into. Mat 24:44 You also must be ready therefore, for the Son of Man is coming at an hour when you do not expect Him.*

Then there is the message to the church of Philadelphia, who although they are pleasing to the Lord, are also issued with a warning:

*Rev 3:10 Because you have guarded and kept My word of patient endurance [have held fast the lesson of My patience with the expectant endurance that I give you], I also will keep you [safe] from the hour of trial (testing) which is coming on the whole world to try those who dwell upon the earth. Rev 3:11 I am coming quickly; hold fast what you have, so that no one may rob you and deprive you of your crown.*

Stay alert, beloved remnant, the enemy is always lurking and trying to distract you even at this late stage of preparation!!

And finally, there is the message to the Laodicean church, who have no clue what a terrible state they are in!!

*Rev 3:18 Therefore I counsel you to purchase from Me gold refined and tested by fire, that you may be [truly] wealthy, and white clothes to clothe you and to keep the shame of your nudity from being seen, and salve to put on your eyes, that you may see. Rev 3:19 Those whom I [dearly and tenderly] love, I tell their faults and convict and convince and reprove and chasten [I discipline and instruct them]. So be enthusiastic and in earnest and burning with zeal and repent [changing your mind and attitude]. Rev 3:20 Behold, I stand at the door and knock; if anyone hears and listens to and heeds My voice and opens the door, I will come in to him and will eat with him, and he [will eat] with Me.*

3 different messages for different groups, even the one that has pleased the Lord is warned to hold fast to what they have, so the thief does not get it!

What else does that dream tell us? Even though I had travelled most of the journey with my daughter, showing we had the same goal in mind and the same focus, at a certain point, a separation came because me getting distracted and my daughter the Bride had to let me go and leave me behind in order to get to the wedding fully prepared and on time. She had to do what she had to do no matter what her mother was doing. The mother often refers to the church or group which has nurtured and helped to raise you in the Lord, even those you have spent many years in close fellowship with. There is coming a point at which you may be separated from that 'mother' and have to make the decision to keep moving forward to your appointment with the Bridegroom alone. This will be painful as long established relationships experience the Lord's sword coming down and separating between sheep and sheep. Some of those who raised you in the Lord and taught you the things of the Spirit are going to get distracted – quite likely by newfangled and interesting ministries and doctrines presenting themselves on the 'bread table of Youtube or the Christian bookstore, and will not make it to the wedding. You as part of the Bridal Company MUST KEEP FOCUSED as you know the lateness of the hour. What must you focus on? Personal instruction from the Lord Himself. HE wants to 'sup' with you. He wants you to be fed by His hand, to receive His counsel. 30th Aug 2024 is 25th Elul, the anniversary of the day God said 'Let there be light' as the Holy Spirit hovered over the darkness that was upon the deep. This is what God wants to share with you – light! He wants to separate the light from the darkness within and without. This is what your Bridegroom said:

*Mat 10:34 Do not think that I have come to bring peace upon the earth; I have not come to bring peace, but a sword. Mat 10:35 For I have come to part asunder a man from his father, and a daughter from her mother, and a newly married wife from her mother-in-law-- Mat 10:36 And a man's foes will be they of his own household. Mat 10:37 He who loves [and takes more pleasure in] father or mother more than [in] Me is not worthy of Me; and he who loves [and takes more pleasure in] son or daughter more than [in] Me is not worthy of Me; Mat 10:38 And he who does not take up his cross and follow Me [cleave steadfastly to Me, conforming wholly to My example in living and, if need be, in dying also] is not worthy of Me.*

This is why Jesus said to me to fast from other input -including this podcast for a time, and let Him feed you from His own hand. He knows where soul ties have to be broken. He knows what strings are binding you to the things of this world and he wants to point these things out to you because He loves you and wants to see you face to face at the altar.

Yom Kippur, the holiest day of the year has a nickname. It is also called 'Face-to-face'. That is why it is connected to the wedding. The High Priest would go into the holiest of all; the Holy of Holies (which Solomon called 'the speaking place') and meet with God, clutching a golden censor with two handfuls of incense so that he would not be struck dead. Perhaps the two bagfuls of beads is connected to this incense. Those in His House fleeing the judgments do so by hastening to the wedding – to face-to-face appointment with their Beloved. And as a Bride walks toward her Bridegroom, she leaves her family and her father's house behind. Psalm 45 is known as the wedding psalm and it says this to the prospective bride:

*Psa 45:10 Hear, O daughter, consider, submit, and consent to my instruction: forget also your own people and your father's house; Psa 45:11 So will the King desire your beauty; because He is your Lord, be submissive and reverence and honor Him.*

The next 5 or 6 days are the last chance you get for personal attention, training and counsel before 5785 clocks over for the Early Barley Calendar. The Hillel Calendar has just over a month. You know my son is very skilled with horses and at the moment he is training 3 horses for an hour each day. He has been tasked by the owner with making them shock-proof, because she wants to be able to ride them in areas where there is traffic and sudden loud noises. This owner is every particular and insists the horses are not to have bits in their mouths. They are to be trained to follow his instructions without the bit pulling their heads where they need to go. Psalm 32:8 says that God counsels us with His eye upon us. Then it says something very interesting:

*Psa 32:8 I [the Lord] will instruct you and teach you in the way you should go; I will counsel you with My eye upon you. Psa 32:9 Be not like the horse or the*

*mule, which lack understanding, which must have their mouths held firm with bit and bridle, or else they will not come with you.*

It is those who lack understanding who need a bit in their mouth! And to get understanding, we have to receive counsel! God is wanting to counsel us in such a way that we will respond to the sound of His voice eagerly and obediently without force or pressure to make us comply. He also wants to make us shock-proof! Why? Because, just like those horses, He wants to take us on a journey with unexpected sudden happenings and unpredictable changes of direction. The birth pangs are going to get stronger and stronger as we go through the last months of this year 2024. Violent occurrences and upheavals that cause the Body pain and discomfort are going to happen at shorter and shorter intervals. Do not become unsettled by this. A pregnant woman who goes into labour knows that with each birth pang, she is closer to seeing her baby face to face. She knows each successive one will be stronger and more painful. This does not take her by surprise. That is what birth pangs involve.

### Dream of 23rd August

Remember I did not know which of the many jackets I had worn should be taken with me. We must not take all the different garments of bygone seasons, what we need more than garments is two large bags of beads.... What on earth could that represent?

### **bead (n.)**

mid-14c., *bede*, "prayer *bead*," from Old English *gebed* "prayer,"

So beads represent your relationship with God, the conversations you have had with Him, the prayers you have lifted up before Him, that bowl before the throne that is ever getting fuller. That is what you should carry with you as you flee the day that burns like an oven. That is what lays before the Lord as He assesses where judgments need to be meted out. What has your prayer life been like? Are there sufficient numbers of beads in your personal 'drawer' to make up 2 large bagfuls?

So, its not about carrying old garments and mantles from one season into the next. Its about what you have stored up in the bowls on the altar in the form of your prayer life that is carried with you to the next chapter.

The manilla folders with my dad's writings have been tucked away safely in drawers of the house and some are laying easily accessible on the counters. They represent the works and writings of our fathers in the faith. Instead of newfangled strange doctrines and alien teachings which would distract you, return to the good old ways. See what those who have gone before us have written for our encouragement. They too went through persecution and faced the prospect of dying for their faith. They knew bondslaves were no longer their own. Glean wisdom from them. Collect for yourself while the internet is still freely available, the writings of those saints who did not draw back when faced with suffering. It's not fashionable wisdom and you won't find it on tiktok because it is not light and frothy, but it will empower and enrich your spiritual walk. My own father died in 2001, so it was strange to see him appear in the dream but helped me understand that we must awaken and bring to light that which our fathers in the faith wrote for us. The Book of Enoch says in its first few verses that it is written for those who will live at the time of the end! That's us!

On the Pentecost of Oil, the Lord led me to Deut 2:13, 14 where it is announced that all those appointed to die in the wilderness due to unbelief were dead after 38 years of wandering. God's hand had moved selectively amongst His people separating sheep from sheep and wiping out those who walked in unbelief. Those who were left were commanded to arise and cross over because a new season had come. There was a specific journey to take to the Promised land and battles to be fought along the way, but they were to be completely obedient, not picking fights which God had not appointed them to. Not every giant was a battle waiting to be tackled. There were specific towns and kings they were appointed to overcome and God had already given them the victory before they got there. At the 38-year mark, all their fathers were dead. The ones remaining did know the delicacies of Egypt. They knew only God's wilderness provision and protective covering. God had divided between father and son, separating by His sword of righteous judgment. He had separated between sheep and sheep in preparation for the days of war that lay ahead. Judgment beginning at God's house looks a bit like this... It will not be

random, God's hand of judgment will move precisely and specifically. It will be a time that fills our hearts with the fear of the Lord.

In just the same way as the old oil is considered contaminated and thrown away once the Pentecost of Oil's firstfruits offering is lifted before the Lord, so too, the old anointing oil is separated and removed as a new season with requirements for a different anointing comes into being. The days between the Pentecost of Oil and the beginning of 5785 are when the wood offerings are brought to the temple for 6 days. So, trees are chopped down during these days. Trees represent people because the Word says man is like a tree of the field. So, for some trees, the axe is being laid at the root of the tree, before the year 5785 begins. Just like that whole generation in the wilderness dies before the remaining ones could arise and cross over into a new season, so too, God will be taking people home, some to their reward and some because no fruit of repentance was found in them. Don't be shocked and unsettled when this happens.

YK in the Hillel calendar(10<sup>th</sup> Tishrei) is on 12<sup>th</sup> October 2024. It is the day judgments are set for the year ahead over people's lives.

Hillel is set for years without observing the new moon. However, those who follow the early barley calendar wait for a new moon to start a new month. In October, the moon is at 2.5% on 4<sup>th</sup> October, making 5<sup>th</sup> October 1<sup>st</sup> day of new month. Therefore the 10<sup>th</sup> day of the new month would be the 14<sup>th</sup> October in EBR (beginning on evening of 13<sup>th</sup>). As I said in the last message, the 10<sup>th</sup> day of Cheshvan was day God instructed Noah to get in the ark.

*Gen 7:1 AND THE Lord said to Noah, Come with all your household into the ark, for I have seen you to be righteous (upright and in right standing) before Me in this generation ... Gen 7:4 For in seven days I will cause it to rain upon the earth forty days and forty nights, and every living substance and thing that I have made I will destroy, blot out, and wipe away from the face of the earth. Gen 7:5 And Noah did all that the Lord commanded him.*

How interesting that shortly after the Hillel calendar is marking the sealing of the judgments for the year 5785, the Tip of the Spear are aware that God is warning that within a week, judgment will fall for the whole earth. Doesn't that show you how God orchestrates timing to protect His bondslaves? They are fully prepared, meek and ready to follow His explicit instruction as He hides them during the unfolding judgment.

You know it is very easy to get confused with so many different prospective Hebrew calendars to choose from. Now I made a very interesting discovery the other day. Someone told me that Sept 27<sup>th</sup> this year is Yom Kippur, day of judgment on Zadok calendar!! Do you remember I shared that the Lord said to my friend, "27th judgment day"?!! Could this Zadok date be what He was referring to? It seems the Lord is ensuring that no matter which calendar one follows, He is making His faithful ones aware of the season we are entering!

Remember I shared with you in the last podcast that the Purple Mountain Comet launches forth from the Sextans constellation some time late on the 27th of September, at the very time it is the closest to the sun, and it is expected to brighten above the naked eye threshold? I said it launches towards the constellation Bethulah (Virgo) as midnight clocks over onto the 28th of September. So, on the Zadok calendar, after their Yom Kippur ends, the purple mountain comet is shot forth like an arrow from a bow.

What date does 27<sup>th</sup> September correspond to on the Early Barley Calendar? The 5<sup>th</sup> Sept is 1<sup>st</sup> Tishrei (beginning the night before) and 27<sup>th</sup> September is 23<sup>rd</sup> Tishrei EBC. This corresponds to the 8<sup>th</sup> day of Tabernacles.

With all these dates flying around, I am sure you are quite dizzy, but the main point is this, the signs in the sky and the increase in intensity of birth pangs in the earth all point to our entering a whole new season, for which we are going to need the strength and wisdom of God to navigate. And speaking of the word 'navigate', this morning the Lord instructed me to pull up a post originally released in 2020, called [Navigating Dire Straits](#). You can get a copy on my [Storehouse](#) page in the zip file for July and August 2022. I found it extremely helpful and timely! I will post a PDF of this on my Telegram channel. I strongly encourage you to print it out and keep for reference along the birth pang journey ahead!

Always remember, that the Lord's judgments are to deal with the wicked, firstly inside and then outside His house. Also take note that the plagues in Egypt occurred around God's obedient people. The gadflies did not bite them, the frogs did not sit in their bread bowls. Their cattle did not die and while dense darkness filled Egypt, their houses had light. When the Destroyer passed over, their firstborn were safe and sound, because of the blood of the lamb on the doorposts of their houses. If you are explicitly obedient to God's instruction, even when you don't understand, He will preserve you amidst the devastation that will unfold upon the wicked. Remain humble and obedient, trusting in the Name of your Bridegroom and the power of the Blood of the Slain Lamb.

So, precious bondslaves of the Lord, may you know His strong, guarding presence as you live out these days for His glory. There is no telling how much longer I will be able to share with you like this. I have been releasing messages encouraging the Bride to make herself ready since round 2006. That is 18 years. Now that which we have been preparing ourselves for is at the door. Isn't it strange how what the watchmen have seen coming in the distance for years seems much larger and more disconcerting now that it is looming over us. We

must remind ourselves constantly of the promises of our faithful God and know that not one word of His good promise will fail. And like Moses, we must not be dismayed by the wrath of the king but rather endure, as gazing on Him Who is invisible. Once we saw with a glass darkly but, very soon, we will see face to face. Halleluyah!
