

The Dragnet

27TH Dec 2025

[AUDIO VERSION](#)

Precious saints,

I have an urgency to release this message and I know it will be a bitter pill for some in the Body to swallow, but I want you to know that the Lord will not remove the pressure to open my mouth and speak what He has given me right now as we move into the closing days of 2024 – and this is because He loves His people and knows what is ahead. I release this now from the position of watchman, knowing that as I do so, the blood of any will not be on my hands. Remember, none of us see in full and therefore it is so important to remain humble and teachable, so that we do not walk blindly into places and circumstances that are designed by the enemy of our souls for our destruction.

This message is primarily for Believers in America, but its contents will affect the Body of Christ worldwide and the Lord insisted I release it before the end of 2024 because He said, “2025 will start with a bang!” and I knew that the bang would be caused by some form of disaster whether man-engineered or in nature as God’s judgments continue to be released. We need to be rightly positioned and ready, standing firm in our position in Christ, before the new year rolls out. If this message causes anger and protest to rise up in your heart, I ask you humbly to take it before the Lord, lay down the framework of your own understanding, and ask the Spirit of Truth if this is something you should heed.

A few weeks ago, I was shown a series of scenes.

- First scene - Wholesome people, checkered red shirts, jeans, some clutching Bibles or waving American flags, clean living, decent-looking folk. Some had MAGA red caps on. They look happy, positive and upbeat and they stood in a group, associated with each other. There was an atmosphere of celebration in the air.
- Next scene – a large net was now over them and pulled closed at one end. I heard the word ‘dragnet’.
- Next image – people bundled up in net and it is connected to a red train engine (it took the place of where train carriages would normally be) and Trump is the engine driver. I know this is the ‘Trump train’. He is driving along the large flat top of a high area with mountains in the background. There are no bumps or valleys or inclines. It is smooth travelling all the way and the people in the net are being dragged along behind him quite smoothly. Then I see he is driving the engine to the edge of a cliff at quite a speed and as he gets there, he bails out of the engine, throwing himself to one side and saving himself ...and the train and the contents of the full net go over the cliff.

Characteristics of a dragnet:

It is weighted wide net that is positioned without the awareness of the fish in the water and then the ends are pulled during a forward movement, catching and imprisoning the fish in the net as it is dragged along.

The fish symbol has represented Believers since the days of the early church. A dragnet is a strategic large-scale fishing tool and requires more than one person to position the net and bring together the ends of the net so that all the fish in its path can be caught. It is stealth fishing, used to get a large catch in one operation.

This series of images is a strong warning from the Lord, that what is unfolding is part of the enemy's plan to ensnare Believers. Trump was described as a 'touchstone' to me by the Lord in 2020, when he originally came to power. A touchstone is a black stone that reveals the quality and authenticity of a gold or silver vessel. In other words, this man is being used by the Lord to test the hearts of Believers in America and the rest of the world.

The touchstone was first used during 2600–1900 BC for testing the purity of soft metals. It was also used in Ancient Greece, and is still used today.

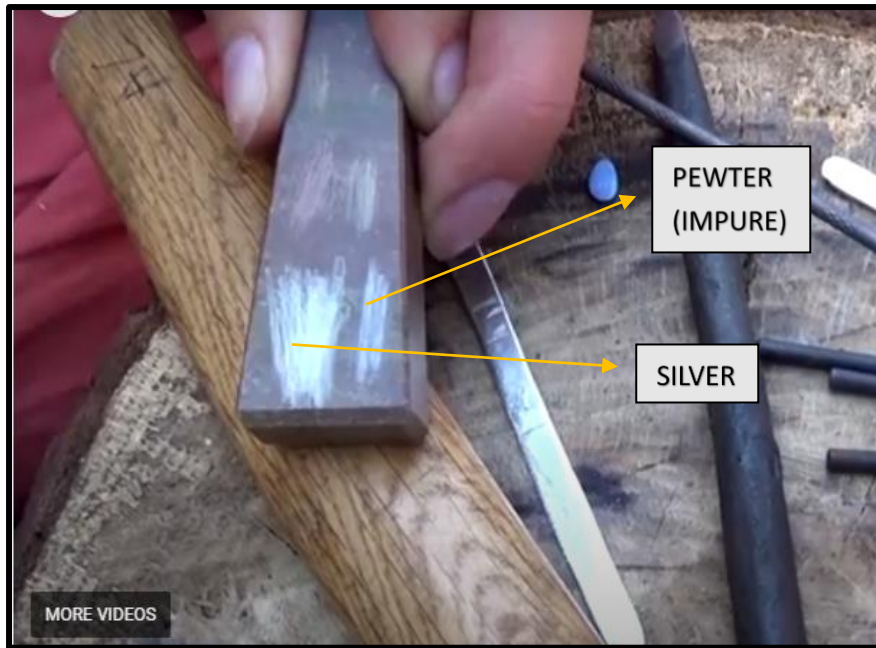

The touchstone allowed anyone to easily and quickly determine the purity of a metal sample. This, in turn, led to the widespread adoption of gold as a standard of exchange. Although mixing gold with less expensive materials was common in coinage, using a touchstone one could easily determine the quantity of gold in the coin, and thereby calculate its intrinsic worth.

Drawing a line with gold on a touchstone will leave a visible trace. Because different alloys of gold have different colors (see [gold](#)), the unknown sample can be compared to samples of known purity. This method has been used since ancient times.

THE VESSEL THAT LOOKS GOLD OR SILVER COMES INTO CONTACT WITH THE TOUCHSTONE AND THE MARK IT LEAVES ON THE TOUCHSTONE REVEALS THE QUALITY OF THE GOLD OR SILVER VESSEL.

GOOD LIGHT IS NEEDED TO USE A TOUCHSTONE.

So, how is the dragnet being used to ensnare all the fish?

A dragnet is carefully constructed and woven to make it strong. I would suggest that what comprises the dragnet which is attached to the train engine are the various statements of intent that Trump made during his campaign and is making having won the election before His 2nd presidency begins in January. His words present him as being very supportive of conservative and Christian causes; pro-life, pro- Christian influence in schools and community life, anti-woke, pro stability and prosperity for the American people. Who wouldn't want to support him in comparison with the alternative which has manifested its fruit over the past 4 years.

Just remember the fish are happily swimming along, completely unaware that there is a net being cast behind them and pretty soon its ends will drawn together successfully and dragged along, ensnaring all those fish in a death trap. Be aware also that the engine driver knows he is driving straight toward a cliff edge and he has no intention of experiencing the same fate as those fish. He saves himself and leaves them to their destruction at the last moment. He has done his job, cast the net and established the momentum to finish what he was instructed to complete.

I am warning u by the Spirit of the Lord to urgently get out of the path of the net as fast as you can. How? Repent first of putting your trust in a man, of seeing a man of flesh as the answer to all your nation's problems. Sever in the spirit anything you have said or done that has put you in the path of this strategically manufactured and placed dragnet, for example labelling yourself as part of MAGA or a die-hard Trump supporter. Do not be a part of the deceptive organizations of men.

Did you know MAGA is the name of the 5th and highest level of membership of the church of satan?

From Wikipaedia of all places:

Members of the Third through Fifth degrees constitute the Priesthood and may be addressed as "Reverend" (although the titles of "Magister/Magistra" and "Magus/Maga" are more often used when referring to members of the Fourth and Fifth Degrees, respectively)

There is a reason why this acronym is being used for the Trump train, and many Believers are unwittingly joining themselves to that which has been crafted for their destruction and delusion. After repenting, break every form of witchcraft, hex and mind-control of your mind and spirit by the power of the Name of Jesus. Get rid of your MAGA memorabilia. That acronym was put on a cap that covers your mind for a reason! Ask for the deliverance that only the Blood of the True Saviour provides and then flee to the name of Jesus for protection. Never slavishly follow any man, no matter how wonderful he seems to be as he speaks and acts. We are in the end times and you need to ask for your discernment to be heightened and sharpened. Pray and ask for any veil over your spiritual eyes to be removed. You need to be able to see clearly in these days!

This man is being used to test your quality as a vessel in the Lord's hands. Are you made of pure gold or silver or do you contain a high level of impurity? And please be aware that the owner of Tesla and Starlink appearing at a rally dressed all in black with a black MAGA hat and declaring himself to be 'dark MAGA' is a blatant demonstration of what this association of these two men is

about. The woman who babysat this particular man as a child was told he would be used to bring in the mark of the Beast. He also appears to be a champion of conservative causes these days, in spite of wearing a Baphomet costume with an upside down cross at Halloween a while back.

2Co 11:14 ... *Satan himself masquerades as an angel of light; 2Co 11:15 So it is not surprising if his servants also masquerade as ministers of righteousness. [But] their end will correspond with their deeds.*

Wake up, Beloved. Update your understanding of the times! Do not allow your precious soul to be indoctrinated and ensnared. Understand what danger you are in and how you are being lulled to sleep by persuasive speech and a carefully crafted witchcraft plan. Do not put your faith in the promises of men!

I would even suggest that the horrific leadership of the last 4 years in this country was devilishly designed to drive Believers into the arms of the alternative candidate. Consider the possibility that your prayers for Trump to win the election may have been playing into the hands of the coming antichrist. Remember that God's people cried out for a king and so He gave them Saul but Samuel had a warning for them and we find it in 1 Samuel 8:10:

"Samuel told all the words of the Lord to the people who were asking him for a king. 11 He said, "This is what the king who will reign over you will claim as his rights: He will take your sons and make them serve with his chariots and horses, and they will run in front of his chariots. 12 Some he will assign to be commanders of thousands and commanders of fifties, and others to plough his ground and reap his harvest, and still others to make weapons of war and equipment for his chariots. 13 He will take your daughters to be perfumers and cooks and bakers. 14 He will take the best of your fields and vineyards and olive groves and give them to his attendants. 15 He will take a tenth of your grain and of your vintage and give it to his officials and attendants. 16 Your male and female servants and the best of your cattle[c] and donkeys he will take for his own use. 17 He will take a tenth of your flocks, and you yourselves will become his slaves. 18 When that day comes, you will cry out for relief from the king you have chosen, but the Lord will not answer you in that day."

So this king that they are calling out for will steal their sons and daughters from them, appropriate all their wealth, all their property, all their harvest, and make them slaves. That is horrifically sobering.

Always pray for the will of God to be done, do not pray based on your own assessment of situations because you may have had a veil thrown over your eyes during the recent election campaign. Only ever give glory and honor to God and know that there is a huge level of deception in the earth at present. His church is at the threshing floor and the tribulum is going to separate the wheat from the chaff.

Pro 6:5 *Deliver yourself, as a roe or gazelle from the hand of the hunter, and as a bird from the hand of the fowler.*

Remember also that it was by craft that the pharisees killed Jesus. They wove a plot and carried out a wily deceitful operation to successfully capture and condemn Him to death.

Mar 14:1 *After two days was the feast of the passover, and of unleavened bread: and the chief priests and the scribes sought how they might take him by craft, and put him to death.*

Craft is the Greek word G1388.

It means 'a trick (bait), that is, (figuratively) wile: - craft, deceit, guile, subtilty.'

THE BODY OF CHRIST IS PRESENTLY BEING ENSNARED UNTO DEATH BY THIS CAREFULLY CONSTRUCTED DRAGNET OF CRAFT/WITCHCRAFT, ESPECIALLY IN THE USA REMEMBER WHAT MAGA MEANS

Be aware also that craft is part of the modus operandi of the one who will destroy the holy people in Daniel 8

Dan 8:23 And in the latter timeH319 of their kingdom,H4438 when the

transgressorsH6586 are come to the full,H8552 a kingH4428 of fierceH5794 countenance,H6440 and understandingH995 **dark sentences,H2420** shall stand up.H5975

this word for dark sentences comes from a root word meaning ‘to tie a knot’. Aren’t fishing nets made by tying knots??

Dan 8:24 And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people. Dan 8:25 **And through his policy also he shall cause craft to prosper in his hand;** and he shall magnify *himself* in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand.

AM I SAYING THAT TRUMP IS THE ANTICHRIST. NO I AM NOT, BUT REMEMBER THAT CRAFT AND GUILE AND DECEIT WILL BE USED TO ROLL OUT THE RED CARPET FOR THE ANTICHRIST TO WALK IN ON. THE ENGINE DRIVER IS JUST PULLING AND DELIVERING HIS CARGO TO THE DESTINATION THAT HE HAS BEEN TOLD TO (WITHOUT ENDING UP THERE HIMSELF) AND IT TAKES A NUMBER OF PEOPLE TO POSITION A DRAGNET AND BRING THE ENDS OF IT TOGETHER.

Beloved, I saw 3 scenes – a happy, wholesome, American. MAGA supporting crowd; a net positioned and pulled together with a catch inside and hooked up to a red train engine driven by the incoming president of USA; and thirdly, that leader bailing out of the swiftly moving engine as it took its haul over the edge of a cliff. The Spirit of the Lord is warning His beloved people to disentangle themselves before that net is completely closed. You do not have much time.
