

Postpartum

29th Dec 2024

[AUDIO VERSION](#)

Hello precious saints. This message comes very hot on the heels of the last one, but I do have the strong sense that I need to release it urgently, before the old year runs out.

This post is called POSTPARTUM and for those who don't know what 'postpartum' means, it is the time in the life of a mother after a baby is born. This message is the unpacking of the significance of the trial our family has been through in the last 2 weeks. I share this because it is a prophetic depiction of what is coming very soon to the Bridal Company. My daughter's baby son was due to be born on 27th December, a long awaited birth, and the Lord had showed me for some time that he was a prophetic sign of the manchild coming forth in the earth. When my daughter, who was scheduled for a Caesarean, started having mild labor pains on 12th December, I took her to the hospital to be checked out, as her husband works in another country and was only due to arrive the next day. The doctor kept her in for monitoring and the Caesarean was

scheduled for Monday 16th Dec, 10 days before the baby's due date. I wondered why it was significant that he should be born early and by Caesarean section. God referred me to Isaiah 66:7 which says;

"Isa 66:7 Before she travailed, she gave birth; before her pain came upon her, she was delivered of a male child."

So I knew the prophetic parallel was being fulfilled in even more detail by this Scripture and my daughter's life. The word 'travail' in the Hebrew used there means 'to writhe in pain, to grieve, to be shaken or to be wounded'. However I only looked that up later. I just assumed it meant she wouldn't go through natural labour to bring forth the manchild. Little did I know the travail, pain and shaking were still up ahead...

Saturday 14th December Because of my daughter's condition, the Caesarean was moved forward, and little Tiago Jonathan was born exactly 2 weeks early by Caesarean. Tiago means 'God will provide and protect' in Spanish. Jonathan means 'God has given'.

Well my daughter was in a bit of pain after the Caesarean; anyone who has had one knows what it is like, and on Sunday we were all overjoyed about the birth and celebrating in the hospital room, and she was in the bed receiving pain medication after her operation, being looked after by the nurses.

Monday December 16th 2 days later, she was sent for a CAT scan because she was in severe pain, her stomach was huge, bigger than when she had been pregnant and extremely hard. The verdict that the doctors gave was that she had an ileus, paralyzed colon from epidural anesthetic. Her specialist gynaecologist said to us that they had only had one other person in the last 10 years that this had happened to.

Wednesday December 18th 2 days later, she had high infection markers, she was on antibiotics, could hardly move from pain, and they were giving her medication to get her colon working again. Of course we were all praying because she was in so much discomfort. Her milk had come in, she was feeding the baby and all was going well with that - she was very brave! My daughter's name is Nicole,

which means 'victorious overcomer' and she was really displaying the truth of the name she carried during that time.

Thursday December 19th she had had good morning, had been able to move around a little bit, and I was very happy and thankful to God as I went home in the afternoon. However, in the evening of Thursday 19th she took a turn for the worse, she had a sudden crisis, became ice cold, her whole body went into spasms, eyes rolling back in her head, and she passed out cold, so of course it was all hands on deck to stabilize her.

Friday December 20th She was sent for a 2nd scan early in the day and it was discovered on the scan that her whole body cavity was completely full of gas, so the doctors suspected that there was a possible intestine tear. It was not visible on the scan, but nothing else could have caused such a state of affairs. She was rushed in for a 3 hr. emergency operation in the afternoon.

This is the day I asked for prayer from my telegram group. I really felt urgently that we needed prayer warriors to join us, because my daughter was under severe attack and extremely unwell. The surgeons removed 30cm of her small and large colon which had become completely necrotic, and there was a lot of sepsis in her abdominal cavity. The doctor said to her and to us that if we had waited one more day for this operation, she would be dead. She was started on a 2nd antibiotic and we were told that she would be in Intensive Care for 3 days.

There are 2 significant things about the timing of this operation on December 20th.

- That evening I had written a song before my daughter informed me that she had taken a turn for a worse. I wrote this song ['Until the Dawn'](#) I knew as the Holy Spirit was giving me the words of that song; that I was writing it for the remnant.
- That day, Friday 20th, was the 7th day from Tiago's birth, and as the 8th day began in evening, he was handed over into father's care upstairs in the maternity ward; they had a private room, and it was room number 30. (THEY ALSO LIVE IN APARTMENT 30 IN THEIR COMPLEX, which I found significant knowing that the manchild's home carried the number at which the sons of the right hand are set in place at age 30)
- The 8th day is the day of naming and entering into the covenant by circumcision. Benoni, which means 'son of my sorrow', had his name changed by his father on 8th day to Benjamin, son of the right hand (and

these sons are placed or released with authority to operate in their father's business at age 30).

So there were a lot of prophetic signs going on around the coming, the birthing, and the first days of the life on earth of this little manchild. From this time onward Tiago was fed by his father alone and was with him about 23 out of 24 hours a day in the private room. The only time his father was not there was when I went upstairs from the ICU to the maternity ward, to release my daughter's husband to visit his wife. The manchild and the father had close fellowship, and there was much skin-to-skin contact, resting and bonding on the father's chest.

REMEMBER IN REVELATION 12 THE MANCHILD IS CAUGHT UP TO THE FATHER AND HIS THRONE, AND THERE IS PROTECTION FROM THE DRAGON, BUT THE WOMAN WAS PURSUED AND A FLOOD RELEASED AFTER HER - WHICH DEPICTS A RELEASE OF DEATH ASSIGNMENTS AND CURSES TO DESTROY THE WOMAN. IT WAS AT THIS JUNCTURE THAT I ASKED FOR PRAYER FROM THE REMNANT.

So after her operation, I went to see my daughter the next day, and when I set eyes on her, she burst into tears and said, "Mom I almost died, I thought I was dying when I went into convulsions". She was overcome with emotion and the realization and trauma of what she had been through. I said to her, "you will not die but live, and declare the glory of God", which is a quote from Psalm 118, but she said to me, "I need to acknowledge that this is what I have walked through". I said to her, "yes you have been through the valley of the shadow of death, and we will fear no evil in this place".

For 4 days, my daughter was very weak and not responding well. The doctor expected her to only take 3 days to get out of ICU; that was then extended to 6 days. They eventually placed an IV into her neck to give her extra protein, as she was not recovering as expected, and was still in much pain. I was spending 8 hours a day at the hospital, moving between the private room in the maternity ward and the ICU to be with my daughter.

Wednesday 25th December On the way to hospital in the afternoon, after our Christmas lunch, (that journey is a half hour drive) I had green traffic lights

the whole way, so I could get there very speedily and smoothly. The Lord said, **“For Nicole, its green lights all the way. the bowl of prayers is full, I have heard the supplications of the remnant and now the answers will pour forth.”** I really thanked Him! I got there and she was suddenly so much better, she had a bit of color in her face, she was sitting up in bed. While I was there, the specialist came and said that all her tubes, except the one in the neck, could be removed, she could begin to eat again, starting with soft food. The dietician came and said she could order anything she wanted from hospital kitchen, i.e. green lights all the way.

Not coincidentally, the 25th December was the **1st day of Hanukkah** on the Hillel calendar. **Hanukkah is the festival of increasing light, where one more candle is lit every day for 8 days – the path of the righteous grows brighter and brighter until the full light of day.**

During the time when my daughter was in ICU, I received many messages of encouragement and one in particular was very helpful. It was sent to me by a subscriber who wrote to me on Telegram, and I am taking the liberty of quoting what she shared with me; I am sure she will not mind. She said,

I want to share a word Father gave me the 21st of Dec. (NICOLE'S OPERATION WAS ON 20TH) And your song of Until the Dawn is such a confirmation of the Word He gave me. I opened the Word where Jesus told the disciples to get into the boat and go over to the other side (Matt 14:23). He told them to go over to the over side, well knowing what awaits them in the middle of the night ... a storm! The Lord then said to me a storm is coming and He is preparing me for it. That my eyes must be stayed on Him throughout the storm, and that the storm will pass before Him first. He said His grace is enough for me, to carry me through. The disciples did not willingly volunteer for the storm; He forced them into the boat to face a storm. He said it's important to remember all that He said to me when I am in the storm. While they faced the storm, He prayed for them and He saw them and their struggle in the storm. Yet He left them longer alone while the storm raged. He said to me it will feel very dark, feeling I am not with you, and you not knowing what to do... remember My eyes are on you I see everything and know everything.

Even if I will feel as if I find myself in the valley of the shadow of death, He will be with me as He was so many times before.

He said in the middle of the storm you will hear my voice. He told me what He said to Joshua – ‘be strong, be full of courage’, and wait on Me in and through the storm. The storm will subside... and birthed out of it will be a testimony to the glory of His name. At the right time He came to them walking on the waves of the raging storm and when He got into the boat, the storm was over!!

I went and read the scripture in Matthew 14:23, and yes, Jesus did send them directly into a storm knowingly, without telling them the storm was coming, and then He went up a mountain to pray for them for 3 watches of a dark night of the soul. In the morning watch, He came to them and Peter experienced the powers of the age to come walking on the water and the storm ceased as Jesus got into the boat.

SO BELOVED, THE STORM, THE ANTAGONISTIC WIND THAT TOSSES YOU ABOUT, THAT VALLEY OF THE SHADOW OF DEATH IS AN APPOINTMENT MADE ON THE CALENDAR BY GOD FOR YOU.

Psa 23:4, (of course we know it so well), *‘Yea, though I walk through the [deep, sunless] valley of the shadow of death, I will fear or dread no evil, for You are with me; Your rod [to protect] and Your staff [to guide], they comfort me.’*

That word translated ‘shadow of death’ in the Hebrew is **tsalmaveth** and figuratively it means ‘extreme danger and calamity’. My daughter was definitely in the valley of the shadow of death.

The very next verse says, Psa 23:5, *‘You prepare a table before me in the presence of my enemies. You anoint my head with oil; my [brimming] cup runs over.’*

WHERE IS THE TABLE PREPARED FOR YOU? IN THE VALLEY OF THE SHADOW OF DEATH – RIGHT IN THE PRESENCE OF YOUR ENEMIES. This is where the nourishment of heavenly revelation and an overflowing anointing are poured out. **YOU DON’T GET THE TABLE AND THE ANOINTING WITHOUT ENTERING THE VALLEY!!**

We find another description of this valley of the shadow of death, or a ferocious antagonistic storm, in Revelation 12:15.

Rev 12:15 *'And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.'*

The Greek for '**carried away**' means to be 'overwhelmed, drowned in the waters.'

Verse 13 of Revelation 12 tells us that the dragon 'persecuted' the woman – that word means 'harassed, troubled and molested.'

Beloved Remnant, I have focused much on the coming forth of the manchild, and I knew that my grandson was a Revelation 12 sign of this impending birth, but in the joy of the birthing I somehow forgot that very shortly thereafter the dragon goes after the woman to destroy her, and in this case it was my own daughter. The damage to her intestines occurred in the birth process, but the body shut down the colon to heal the small tear that was caused. However, when the doctors, who only saw in part, administered medicine to cause her colon to contract, the newly healed wound was opened up again and the death attack began in earnest. Everything my daughter ate poured into her body cavity and festered there. By the end of the 4th day, which was 19th December, she was in mortal danger, and the dragon's flood wanted to overwhelm and destroy her. Thank God I asked for prayer on 20th December from the wider Body of the remnant.

Now let's look what Revelation 12 says happened just after the flood was released.

Rev 12:16 *And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.*

You know, I have never really understood how this verse would play out in real life but having just walked through it, I now can see very clearly what it means!

The word for **'earth'** there in the Greek means 'the world, the earth or earthen vessels'.

And the word translated **'swallowed up'** actually means 'to destroy by repeated blows'.

The word for **'mouth'** not only means 'mouth' but it also means 'the edge of sword'.

SO INTERCESSION FOR MY DAUGHTER IN THIS VALLEY OF THE SHADOW OF DEATH, USING THE SWORD OF THE SPIRIT - THIS THING THAT THE REMNANT DID FOR MY FAMILY, DEPICTS THE EARTH SWALLOWING/DESTROYING THE FLOOD OF CURSES AND DEMONIC DECREES DIRECTED FROM THE DRAGON'S MOUTH TOWARDS MY DAUGHTER, WHO PROPHETICALLY DEPICTS THE BRIDE OF CHRIST.

WITHOUT THE PERSISTENT, FERVENT INTERCESSION OF THE FAITHFUL REMNANT, THE REPEATED BLOWS USING THE SWORD OF THE WORD OF GOD AND THE LEADING OF THE SPIRIT, SO THAT THE FLOOD OF DEATH ASSIGNMENTS WAS DESTROYED, WITHOUT ALL THIS, MY DAUGHTER WOULD HAVE DIED.. WITHOUT THE HELP OF THE WORLD'S EARTHEN VESSELS IN SERVICE OF THE MASTER, WITHOUT THEM HELPING THE WOMAN, MY DAUGHTER WOULD HAVE DIED.

I am sharing this personal story to demonstrate what unfolds when the imminent birthing of the MANCHILD COMPANY occurs. Satan unleashes a violent and prolonged attack upon the Bridal Company who has dared to produce this manchild; it is this Bridal Company from whose midst the manchild emerges. Be ready and prepared, with the armour of God on, Remnant, and the Sword of the Spirit in your hand. And when your own personal storm begins to whip up, do not hesitate to call for backup prayer. Increase your intercession for the faithful remnant worldwide NOW, because the serpent is very angry and he is going to oppress and trouble and persecute the woman. **PERHAPS SOME OF YOU HAVE ALREADY BEGUN TO EXPERIENCE AN INCREASINGLY ANTAGONISTIC WIND.** CALL ON YOUR REMNANT FRIENDS AND THE SAINTS YOU KNOW. THE EARTH MUST OPEN HER MOUTH AND HELP THE WOMAN AT THIS TIME BECAUSE THE SERPENT WANTS TO DESTROY HER.

OPEN YOUR MOUTH, BELOVED. DESTROY BY REPEATED BLOWS OF THE SWORD OF THE SPIRIT THE FLOOD THAT HAS BEEN SENT AGAINST YOU, YOUR FAMILY OR OTHER REMNANT SAINTS.

I MUST SAY PERSONALLY, THAT WHEN ONE IS GOING THROUGH THE VALLEY OF THE SHADOW OF DEATH ONESELF, ONE CANNOT PRAY MUCH. I WAS SPENDING SO MUCH TIME AT THE HOSPITAL IN VARIOUS WARDS OR TRAVELLING TO THE HOSPITAL, NOT MUCH ACTIVE INTERCESSION HAPPENED IN MY LIFE. ONLY ONE PASSAGE OF SCRIPTURE KEPT COMING TO MIND:

Psa 107:25; "For He commands and raises up the stormy wind, which lifts up the waves of the sea. Psa 107:26 [Those aboard] mount up to the heavens, they go down again to the deeps; their courage melts away because of their plight. Psa 107:27 They reel to and fro and stagger like a drunken man and are at their wits' end [all their wisdom has come to nothing]. Psa 107:28 Then they cry to the Lord in their trouble, and He brings them out of their distresses. Psa 107:29 He hushes the storm to a calm and to a gentle whisper, so that the waves of the sea are still. Psa 107:30 Then the men are glad because of the calm, and He brings them to their desired haven. Psa 107:31 Oh, that men would praise [and confess to] the Lord for His goodness and loving-kindness and His wonderful works to the children of men!"

In fact, the first thing god audibly said to me was on 25th dec when He said the storm had broken, and that it was green lights ahead for my daughter. Before that, I was undergirded by others' prayers and words of encouragement. The song 'until the dawn' is testament to that.

My daughter also did not hear God say anything to her. No word of reassurance, no scripture coming to mind. She actually commented on how quiet He was. It was as if God was not with her, just like Jesus was not in the boat in the storm.

Three days after the operation, i shared the subscriber's account of the disciples in the storm with her and she meditated on those comforting words. I sent her some of my songs, including the one written the day of her operation; UNTIL THE DAWN. Two others were Healer of the Broken Hearted and You Hold Me Fast.

I continued to decree words of life over her in her hearing – YOU SHALL NOT DIE BUT LIVE AND DECLARE THE GLORY OF GOD.

The next verse in Psalm 118:18 says;

"The right hand of the Lord is exalted; the right hand of the Lord does valiantly and achieves strength! Psa 118:17 I shall not die but live, and shall declare the works and recount the illustrious acts of the Lord. Psa 118:18 The Lord has chastened me sorely, but He has not given me over to death."

HE HAS NOT GIVEN ME OVER TO DEATH. JUST LIKE WITH JOB, SATAN WAS ALLOWED TO TOUCH MY DAUGHTER'S LIFE BUT HE WAS NOT ALLOWED TO TAKE HER LIFE.

WHEN YOUR VALLEY OF THE SHADOW OF DEATH COMES, REMEMBER DEATH IS NOT ALLOWED TO HAVE YOU. YOU BELONG TO THE LORD JESUS CHRIST, YOU WILL LIVE AND DECLARE THE GLORY OF GOD. HE WHO SUMMONED THE MIGHTY WIND TO BE RELEASED WILL BRING YOU TO YOUR DESIRED HAVEN AND YOU WILL PRAISE HIM FOR HIS GOODNESS.

I want to thank you so much, those of you who knew, for praying and continuing to pray for my family, for my daughter, her husband Gaston and little Tiago. Little Tiago suffered no harm in this whole experience. He was safe with his father, just like the manchild caught up to be with the Father in Rev 12. He was well fed and happy and loved and protected, just like his name says, 'God will provide and protect'. But it was the woman who went through the trial after the birthing of the manchild.

Now I also want to connect this experience we have had with things happening on the world front. To have understanding of the times, you have to know where in Scripture we currently are, and what is currently unfolding.

If you re-read Rev 12, it tells us there was war in heaven around the time the manchild was caught up to the throne, and satan and his angels were thrown out to earth in Rev 12:9. The very next verse says this:

Rev 12:10 *"And I heard a loud voice saying in heaven,(that is a decree) **Now is come** salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night.*

At the same time as satan and his angels are flung to earth, there is a declaration that salvation, also meaning 'healing and deliverance', strength and the kingdom plus the power of Christ IS COME." IT'S HERE! IT'S ARRIVED! Just when an influx of hideous dark beings and their overlord flood the earth, God equips and empowers His saints.

Why am I highlighting this? Because the day my daughter did a miraculous turnaround, when it was announced by God Himself that the answers were pouring out - green lights all the way, was 25th December, which was the first day of Hanukkah, the festival of increasing light and glory.

Something else very significant happened on that day, actually at the beginning of the Hebrew day, which was the night before. THE VATICAN BEGAN A SERIES OF EVENTS WITH GREAT SATANIC SIGNIFICANCE. FROM THE EVENING OF 24TH DEC 2024 RIGHT THROUGH TO JANUARY 6TH 2025, THE POPE WILL BE CEREMONIOUSLY OPENING A SERIES OF 5 DOORS WHICH HAVE BEEN SEALED FOR A LONG TIME, AT LEAST 25 YEARS IF NOT LONGER. 4 OF THEM ARE IN CATHOLIC CHURCHES AND THE 5TH IS THE DOOR OF A ROMAN PRISON.

These are not random locations but carefully selected sites of immense spiritual and historical significance. Here are the coordinates:

- St. Peter's Basilica: 41°54'8"N, 12°27'12"E
- Rebibbia Prison: 41°55'52.9"N, 12°34'19.7"E
- Basilica of St. John Lateran: 41°53'09"N, 12°30'22"E
- Basilica of St. Mary Major: 41°53'51"N, 12°29'55"E
- Basilica of Saint Paul Outside the Walls: 41°51'31"N, 12°28'36"E

- a) The 1st door: St. Peter's Basilica: opened on December 24, 2024 (Christmas Eve) at 4:30pm. It will be closed January 6, 2026 (Feast of the Epiphany) in the Catholic calendar. 1. As the heart of Catholicism and the largest church in the world, St. Peter's Basilica is a major pilgrimage site. The pope announced a Jubilee Year beginning with the ceremonial opening of the Holy Door on Christmas Eve. This is significant because it is so twisted. He decrees a Jubilee year but Jubilee is a declaration of freedom for slaves and restoration to their original possessions, but this is not what is being done here; the exact opposite is being done. What is being called

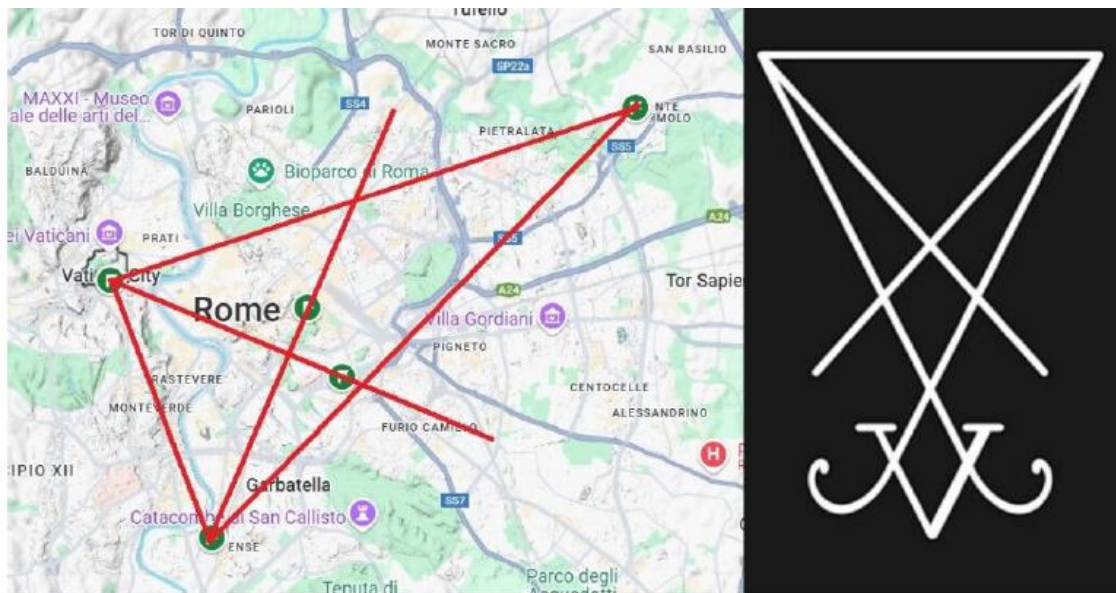

FREEDOM and JUBILEE for the saints is actually completely occultic and will bring saints into utter captivity if they take part in these things.

- b) The 2nd holy door: Rebibbia Prison: was opened 26th December, and it closes on Jan 6th 2026, the Feast of the Epiphany.
- c) The 3rd door: Archbasilica of St. John Lateran: opens today, December 29, 2024 (Feast of the Holy Family), and closes December 28, 2025.
- d) The 4th door: Basilica of St. Mary Major: opens on January 1, 2025 (Solemnity of Mary, Mother of God), and closes on December 28, 2025.
- e) The 5th door: Basilica of St. Paul Outside the Walls: opens on January 5, 2025 (Vigil of Epiphany), and closes December 28, 2025. That December 28th is some kind of significant occultic date; I haven't had time to look it up.

When the pope opened the door at Rebibbia Prison on 26th December, he wore a garment that was bright red, with gold shell designs on it. **Note the shell design on his garment is code for the marine kingdom, and therefore the opening of this door is depicting the release of a flood of water spirits.**

THE OPENING OF THESE 5 SACRED PORTALS, WHEN PLOTTED GEOGRAPHICALLY, FORM A SATANIC SIGN WHICH IS VERY RARELY SEEN, A VERY ANCIENT SYMBOL CALLED 'LUCIFER'S SIGN'.

The Coordinates of the Sacred Portals

It is an occult symbol linked to rebellion, hidden power, and spiritual inversion. TO PUT IT BRIEFLY, DEMONIC PORTALS ARE BEING OPENED, by the opening of these 5 doors, TO RELEASE A FLOOD OF THE SOLDIERS OF SATAN, INVISIBLE SATANIC BEINGS PLUS SATAN HIMSELF, INTO THE EARTH. INTENSE SPIRITUAL ACTIVITY IS ALREADY BEING UNLEASHED, AND I AM SURE YOU HAVE PICKED IT UP IN YOUR SPIRIT.

IN OTHER WORDS, SATAN AND HIS ANGELS ARE BEING CAST TO THE EARTH, LIKE IT SAYS IN REVELATION 12. THE PROCESS BEGAN ON THE EVENING OF 24TH DECEMBER 2024.

The pope is making the sign of Lucifer **DELIBERATELY AND METHODICALLY**, inviting him to enter the earthly realms, and take up his seat in the vessel of the antichrist. No wonder Rev 12 says,

“Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knows that he hath but a short time.”

That first door at St Peter's Basilica was able to be walked through by the public on Dec 25th and for the rest of the 'Jubilee' year.

WHAT IS THE “CLAIMED FUNCTION OF THE “PORTALS” ACCORDING TO THE VATICAN? They say, *‘These doors are ceremonially opened only during Jubilee Years, symbolizing the spiritual journey from sin to grace. For pilgrims, crossing these doors is a profound act of faith, offering an opportunity for renewal, forgiveness, and a deeper connection with the divine. ‘*

BUT IN TRUTH ANYONE CROSSING THESE THRESHOLDS OPENS THEMSELVES UP TO DEMONIC HARRASSMENT AND POSSESSION. THE “PORTALS” ARE OPENING DOORWAYS TO PORTIONS OF THE ABYSS AND RELEASING UNTOLD EVIL IN THE EARTH.

IN ADDITION TO THAT, THE OPENING OF THE REBUILT NOTRE DAME CATHEDRAL WAS AN ORCHESTRATED AND PROPHETIC EVENT, ANNOUNCING THE COMING OF THE GOLDEN AGE OF THE REIGN OF LUCIFER, SYMBOLIZING OUT WITH THE OLD WORLD AND IN WITH THE NEW WORLD ORDER. REMEMBER TRUMP KEEPS TALKING ABOUT THE GOLDEN AGE COMING AND WORE HIS GOLD TIE TO THE CATHEDRAL OPENING.

Significantly the CERN proton accelerator in Switzerland, which has been trying to break through the veil and release demonic being into the earth, that proton accelerator, and the Sesame Electron Accelerator in the Middle East are both being shut down during the opening of these 5 doors. Truly the gates of hell are opening. This channels all the demonic beings to make their way through the Vatican portals to cause havoc on the earth.

Did you notice the number of plane crashes happening in the last 2-3 days? An unusual number of passenger flights have had disastrous accidents. If you need to fly in the next short while, you need to pray and get confirmation from the Lord that you should be getting on that plane, and I would suggest you keep in prayer the whole time you are on that plane, until you put your feet on the ground on the other side.

The letter to the Church in Smyrna says this:

Rev 2:10 “Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have

tribulation for ten days: be thou faithful unto death, and I will give thee a crown of life."

Do you know that it was 10 days between Tiago's birth and my daughter's miraculous turnaround on 25th Dec. 10 days of tribulation, 'thlipsis', pressure, affliction, hardship, anguish, but she kept trusting God, even though she couldn't hear Him saying anything, and we kept praying and believing for His intervention, and the crown of life was awarded to her!

Through the whole process the manchild was safe, fed and protected, not in a moment of danger, but the woman experienced the tribulum, to separate the wheat from the chaff. On the day of my daughter's healing, power and deliverance release, green lights all the way, on that SAME DAY, the portals to the abyss began to open. None of this is by chance! I thank God for bringing us through this valley safely. My daughter still has some healing and recovery to do, but she is on the mend. She is at home with her family, reunited with her baby, and we praise God for answers to prayer.

Beloved, end time prophetic Scripture is unfolding before our eyes. Yes, there is a demonic flood being released to cause havoc for a short time, the 3½ years of tribulation spoken of in Rev 12, but at the same time, the kingdom and power, healing and deliverance of God are being released to us.

Be warned, the enemy will target you or your loved ones. Expect there to be a storm or valley of the shadow of death experience coming your way because of these portals opening. It was the woman that the dragon went after, and it says further on in Revelation 12, when the woman was lifted out of the dragon's way by the two giant wings of the eagle, he went to make war with the remnant seed – THERE IS BATTLE AHEAD! Keep your sword by your side, keep your armour on; God is allowing it and has a table prepared for you and an anointing to pour upon your head! Dwell in heavenly places in Christ. Cover yourself and your loved ones in the power of the Blood and shelter under the wing of the Most High. Be much in prayer, both in your mother tongue and the language of the Spirit. Break bread daily- at least once a day. Do not lose focus, do not get distracted, do not become

weary. Make the changes in your life that are necessary to keep strong and alert with the power and practice of prayer.

Let God's earthen vessels open their mouths daily and destroy the effects of the flood released against the Bride of Christ. We overcome through the Blood of the Lamb and the Word of our testimony, loving not our lives unto death. May the Spirit of the Lord bless you and keep you, guard you and guide you, and give you His peace. Even in the midst of the valley, even in the throes of the storm, I always had peace. May He give you the peace that passes all understanding, guarding your hearts and minds as you trust in Him, and do not stop praying until the bowl of prayers is full. Employ other saints to help fill up the bowl; when the bowls are full, the answers will be poured out unto His glory. Hallelujah!

Selah
