

Transcript Pt 3 Glorious Things Unfolding

[AUDIO VERSION](#)

This is part three of Glorious Things Unfolding. Now in part two, I spoke to you about what I had learned about the Spirit of Elijah, which consists of the three priestly Spirits of the seven Spirits of God, that being the Spirit of the Fear of the Lord, the Spirit of Counsel, and the Spirit of Revelation or Understanding. I spoke to you about how there is a herald company, a Morning Star Company released. In the last part of the Morning Watch year in order to say, "Behold, He comes!" and prepare the way for the coming of

the Son of Righteousness. And now, in this episode I want to talk to you about the fullness of the Spirit; the other four Spirits of the seven Spirits. Now the middle portion of the lampstand is called the shamash candle or the servant candle, and it represents the Spirit of the Lord. We know that John the Baptist did not have this Spirit because he was not the Messiah. So, this shamash candle, the central candle of the sevenfold candlestick, represents the Spirit of the Lord, and when Jesus was born, of course he had this Spirit, but He also had the three priestly portions of the seven Spirits because he was baptized by John. He went through the Jordan. He went through the waters of repentance, and after His baptism, He then received the other last three, the kingly portion of the seven Spirits, which is the Spirit of Wisdom, the Spirit of Might and the Spirit of Knowledge - all things that are operated in in the kingly portion. So up to the age of 30, Jesus had the priestly portion of the seven Spirits of God, plus, of course, He had the Spirit of the Lord, the shamash candle.

When He was 12, Jesus was found amongst the rabbis, after his mother had lost him, and the rabbis were astounded by His understanding and what He was saying. What was He doing then, when He said, "I have to be about My Father's business"? He was operating in the priestly portion. And then at age 30, with the placing of the Son at the Jordan, and the Father saying, "This is My beloved Son", acknowledging His genealogy and saying He was well pleased with Him, and the fullness of the Spirit came in the form of a dove. So, pleroma, or fullness of equipping of the sevenfold Spirits, was for the launching forth of ministry in the earth.

Now we know it was the kingly portion that Jesus received after His baptism at the Jordan, because when He stood before Pilate, he said, "I am a king". So, He didn't talk about being a king when He was amongst the rabbis at age 12. He only operated in the kingly portion when He took over His Father's business, when He was placed or positioned and acknowledged as a Son, and received the fullness of the Spirit in order to operate in governing authority and in power and might during His ministry.

We always hear about the Melchizedek priesthood, as Zechariah explains: His Servant. The Branch will operate and move between the kingly and the priestly portion. Remember Joshua the high priest was reclothed, and then a crown was put upon his head, and it was indicated that this was an explanation of the bringing forth of His

Servant the Branch. So only when Jesus received the kingly portion of the seven Spirits of God did He begin to operate as the Branch of the Lord.

So, the priestly portion comes before the kingly portion, and the priestly portion and the kingly portion together make up the double portion. You have to be positioned and seated and crowned in order to operate in the double portion, the sons must manifest, be placed and acknowledged, and given authority. What does a son receive? The double portion! The firstborn is the double portion holder of inheritance. So, the double portion inheritance is not two of the same thing. It's the remaining portion of the kingly anointings of the seven Spirits of God being added to the priestly portion. Presently, those on the Early Barley Calendar are in the month of Iyar, and we headed towards the month of Sivan, in which in the early days of Sivan, Shavuot or Pentecost takes place. Now the month of year will be coming to a close on or around about the 9th of May, and the new moon will be sighted on either the 10th or the 11th of May, depending on visibility conditions, and then the tip of the spear will be in the month of Sivan. (I will do a separate message on Shavuot and the timings and symbolism associated with that in another message). What I wanted to share with you is that the Lord had me on a very interesting journey, and it started with somebody sharing information with me...

One of my subscribers sent me an article or a word by Unleavened Bread Ministries, who I don't usually look at, but in this message, this man said that God gave him the date of an asteroid hitting the earth, and it would occur ten days before planet X or Nibiru would pass by the Earth. Now, I do not know if these dates are accurate. I'm very cautious about date setting, but I did want to share it with you for a number of reasons, because as I studied into it, the Lord revealed other things connected to it. So, what this man heard was that on the 25th of May, there would be a strong asteroid connection or impact with earth, and it would cause quite a shaking on the earth. Then ten days later on 4th of June, Planet X or Nibiru would pass by.

Now, I have shared before that this planet is so large that it takes three days to cross the Earth's path, which would mean that there would be some days of darkness. I do have a PDF of this word from Unleavened Bread Ministries, which you can write to me and request. I will also put a copy of it on my telegram channel. The striking of the asteroid was also seen in a vision by a pastor called Efrain Rodriguez quite some time ago, probably about 14 years ago now. The Lord showed him that a very large body of

rock would hit in the Gulf of Mexico, and that it would cause flooding and tsunamis on a number of coastlines. I don't know if you've noticed the increase in the last week or two of volcanoes going off and significant earthquakes all over the Earth. Now, just as in the case with natural birth pangs, there is an increase in number of contractions and the time between contractions gets less and less. What Unleavened Bread Ministries was told is that there would be ten days from an asteroid hit to Planet X passing by. So, we know that what we are entering is the birth pangs of the Day of the Lord approaching, and the birth pangs get intense in the last half of the Morning Watch year 5784. So, there are going to be both spiritual shakings and contractions and natural ones in the earth realm in this birth pangs time, as the labor of bringing forth the Day of the Lord intensifies and intensifies.

So, I want to zoom in on the day that was given for the Planet X pass by. I do not know if it will pass by on that date. It was not told me by the Lord, but I looked into that particular date because there could be some significance. Now, 4th of June is the 42nd day of the Omer in the Hillel calendar. Why is that significant? Well, in Acts 1, we are told that until the day Jesus ascended, He instructed and commanded the apostles through the Holy Spirit; those whom He had chosen. He told them about the kingdom of God. And it says in verse 3 of Acts 1, 'for 40 days He told them about the things of the kingdom'. Now Jesus was resurrected on the third day, which would be day 1 of His 40 days of teaching and sharing with the disciples, because the very day he was resurrected, He appeared on the road to Emmaus and spoke to the two disciples and gave them some understanding about how everything fitted together. So, we know that resurrection day was day 1 of the 40 days. So, the 42nd day of the Omer would be the final day of Jesus' teaching.

Then we learn in acts 1:4, He spoke to them to not leave the place where they were, but to wait for what the Father had promised. Note that he put them in a holding pattern. He told them, He positioned them, and then told them to **STAY WHERE THEY WERE UNTIL THEY RECEIVED WHAT WAS PROMISED**, which was the outpouring of the Spirit. So, this was on the 42nd day of the Omer. They had counted six weeks, and there was one more week to make the seventh week. Then after the seventh week, on the 50th day, the Spirit was poured out. It's important to remember that when God tells you not to leave where you are, but to be positioned and wait and receive the outpouring, that you need to be obedient or you will miss something. He actually speaks

to them in acts 1:8, that they would receive power when the Holy Spirit came upon them, and they would be His witnesses in Jerusalem, Judea, Samaria, and to the ends of the earth. So, the waiting and the holding pattern was in order to be positioned to receive an outpouring of power and ability and might from the Spirit of the living God. And then acts 1:9 says, *'and when He had said this, even as they were looking at him, He was caught up, and a cloud received Him and carried Him out of their sight'*. So, on this 42nd day of the Omer, after telling them to get into a holding pattern and that they would be receiving an impartation, Jesus having finished His teaching and was caught up into the air and received by a cloud.

So, the 42nd day of the Omer is the day of Ascension. Isn't that interesting? When the original Manchild was caught up to the throne and seated at the right hand, that happened on the 42nd day of the Omer. This year in the Hillel calendar, the 42nd day of the Omer is on the 4th of June, the VERY SAME DAY when Planet X or Nibiru was expected to pass by the earth and cross over its pathway. Now, that's no coincidence, is it? And then, in Acts 1, we carry on reading and it says, *'while the disciples were gazing into heaven, two men in white robes stood beside them and said, why are you gazing into heaven? This same Jesus, who was lifted up from among you into heaven, will return in the same way in which you saw Him go to heaven'*.

So, I looked up that word which is translated 'return'. It's a Greek word which also means 'to come, to appear, to be established'. So, this same Jesus will come or appear or be established, in the same way as you saw Him go into heaven. How did He go? He ascended. He was caught up and He was received by a cloud. Now, we also know that in the New Testament, it tells us that Jesus is coming to be glorified in His saints. So, this same Jesus is coming, or appearing or being established and glorified in His saints.

Was it a coincidence that Jesus ascended into a cloud on the 42nd day of the Omer? Have you heard of a phenomenon called 'the 42nd generation'? Well, in Matthew 1, it speaks of 14 generations, 14 generations, and 14 generations - and those add up to 42. But do you know if you count the generations that are listed, Jesus is actually number 41. So, Jesus' seed is the 42nd generation; the seed or the sons of God? Now there's a man called Bill Britten who wrote a very good article on the 42nd generation. If you've

never heard this, please email me and I can send you a copy of that chapter out of his book. Then you will understand why this 42nd generation is so significant.

I don't know if you remember, if you've been with me, listening to my messages for a while, that I spoke about transfiguration and how God used a key that lay on the grass, with a 4 and a 2 on either side, to give me a message saying 'In one hour, the 4 and the 2 will happen all over the world'. The 4 and the 2 refers to the transfiguration, where Jesus and three disciples were on the mountain. They were joined by Elijah and Moses. Those are the 2 ie. the 4 and the 2 will happen in one hour all over the earth. Now here we see the 42nd generation in Matthew 1 is the seed or the sons being brought forth. And then we see that on the 42nd day of the Omer, Jesus ascended, and was received by a cloud. So, there's a connection between all these things, and I think the Lord is highlighting it. It's not a coincidence that Jesus ascended on the 42nd day. It's a hidden clue about the 42nd generation. That time when the seed or the sons of God are brought forth; the Lord coming IN His saints before He comes for them.

This same Jesus will come in the same way as He went. He went by being lifted higher and becoming part of a cloud. So, the manchild company; the seed and the 42nd generation are going to be caught up higher and become part of the cloud of witnesses. Now, as I was pondering this, the Holy Spirit reminded me about what it speaks about in Revelation 14:14. John says

'again I looked, and behold, I saw a white cloud, and sitting on the cloud, one resembling a Son of Man, with a crown of gold on his head and a sharp sickle in his hand'.

Who is this speaking about? Someone resembling the Son of Man? Doesn't a son resemble his father? These are those who have aligned themselves to the plumbline and are recognized to be seed of the Son of Man; beloved sons in whom He is well pleased, and they are caught up to become part of the cloud of witnesses. This is why the one resembling the Son of Man is sitting on a CLOUD, just as Jesus ascended, and is seated on the right hand of God. The seating speaks of a kingly position, because kings sit on their thrones, they are crowned and they exercise rule and judgment. So this revelation 14:14, I see a picture here of the 42nd generation, of the seed. There is a scripture that says in Isaiah that *'He will see His seed and be satisfied'*. He's going to

see the 42nd generation. He's going to see the manifestation of the sons, the placing and adopting of the sons taking place - and He's going to be satisfied. All the travail He went through is going to be worth it.

This one resembling the Son of Man; this 42nd generation, has a crown of gold. In other words, they've received the kingly portion. They've received the portion of the seven Spirits of God that brings them to pleroma, or fullness of the Spirit, the one stone with the seven eyes. The crown of gold, or the anointing for kingship has taken place, and therefore we have the Melchizedek priesthood hidden in the folds of the 42nd generation, the priests and the kings. In Zechariah it says, this is his Servant, the Branch; the 42nd generation, the Melchizedek priesthood crowned, and importantly, *WITH A SICKLE IN THEIR HAND*. Then in Revelation 14:15 it says, *'and another angel came out of the temple sanctuary, calling with a mighty voice to him who was sitting on the cloud, put in your sickle and reap'*. So, an instruction is given in a heavenly position from the sanctuary to those like the Son of Man.

The 42nd generation, having been crowned and receiving kingly authority, are commanded to put in the sickle and reap, and begin to gather in the harvest. The Earth's crop is fully ripe. And it says *'so, he who was sitting on the cloud swung his sickle on the earth, and the earth's crop was harvested'*. So, we see here the release of the final harvesters, the two witness companies with authority and crowned, the Melchizedek priesthood, resembling the Son of Man. Jesus was a High Priest of the Order of Melchizedek and His seed, the 42nd generation, bearing His glory, are going forth to reap the final harvest.

Now Planet X is said to be passing by on the 4th, 5th and 6th of June - because it's so big, it takes three days to go past. Shavuot or Pentecost is on the 12th of June in the Hillel calendar. It is the 6th of Sivan that day in the Hillel calendar. Now the feast of Shavuot is about the wheat harvest, and I've just spoken to you about the 42nd generation putting in their sickle and reaping the harvest, bringing in souls. So, I suspect if these dates that the Unleavened Bread Ministries heard are truly of God, the crowning and the giving of ruling authority and the outpouring of the Spirit unto fullness or pleroma may occur during the time that planet X passes by the earth - when there is quite a lot of darkness for three days. What does it say in Isaiah 60? *'Arise, shine, for your light has come, and the glory of the Lord has risen upon you. Dense darkness is on*

the people... Why is there dense darkness? Because this planet is passing by and is creating an eclipse that doesn't last for 10 minutes or 1 hour, but days and days. Just like in the time of the plagues of Egypt, there were three days of darkness. So, the glory will arise upon this 42nd generation. They will receive an outpouring of glory and kingly anointing, the Spirit of Might, governing authority in the Spirit of Wisdom operating.

You remember, Paul says, when speaking of feast days and Sabbaths and all the things that went before, he says, *'all these things are shadows. The reality is Christ'*. Now I want to speak to you about shadows and reality. You know that I sometimes go to worship sessions at a friend's house and she has a beautiful home. She's an artist, and she has a double height cathedral ceiling in her lounge where we have the worship. The walls are painted a dark orange colour. There's a lot of artwork on the walls and she usually turns the lights down when we worship so that it's not so bright. So, you can really focus on the Lord, and I was worshipping and worshipping, and I opened my eyes, and right at the top, near the peak of the cathedral ceiling on the orange wall, I saw a shadow of the light fitting that was hanging from the ceiling into the lounge, and the shadow looked like it was partially already gone, ascending. I could only see part of it reflected on the wall of this lounge area where we were worshipping. And as I stared at that image there, the Spirit said to me, **"All that you have experienced in Me is a shadow, but the reality is coming"**. And then He pointed out the actual chandelier that had caused the shadow, and it was hanging on a long rope down. It was still quite high up, but from the cathedral ceiling it was quite a height, and there were six lamps round this chandelier that looked like flames. Then the middle, the seventh was an actual metal rod that ascended towards the heavens and then joined the rope that held it suspended in the air. And the Lord said to me, **"I will descend in the fullness of My manifest presence and the fullness of the seven Spirits into the midst of My worshipping remnant"**. It was just so profound.

Then at the next worship session, He showed me the same thing again, but He showed me the middle, the seventh, which was a rod and it hung from a rope. It was like a plumb line hung in the midst of the six lamps of fire, and it descended into the midst of His worshipping remnant. Remember Amos 7:7 from part two, where He said he will hang a plumb line in the midst of His people. He's not going to pass by them anymore. And when He said this, He was standing on a wall built by a plumb line, I saw that rod in the center of the six lamps of fire, and I knew it represented the rod of kingly authority,

those who have aligned themselves to Him who is the plumb line - and He can say, "This is My beloved son, in whom I am well pleased. Receive the pleroma of the other three lamps of fire, the kingly portion, the Spirit of Wisdom, the Spirit of Might, the Spirit of Knowledge.

Remember when I shared with you in part one of Glorious Things Unfolding about the Purple Mountain comet, and how it's positioned as the apple of the eye, or like the arrow head of the arrow in a bow or the plumb line of the sextant constellation. Do you remember? I spoke about that in part one. And then there is a releasing and sending forth. That comet remains for the whole month of September in that position of the pupil of the eye, or the stone of the plumb line, or the tip of the spear, and then after that holding pattern of a month, it is shot forward and released.

This speaks of the manchild company, the Melchizedek priesthood, bearing the seven Spirits of God, priestly and kingly, being released to execute their governing authority in the earth. Paul writes to the church in Rome and he says, *'May you be strengthened with might out of the rich treasury of his glory'*. God has a treasury of glory - and one of the things in there is might. Might is part of kingly anointing; the Spirit of Might. We really need this kingly anointing; this might. He was writing to the church at Rome. Remember, Rome was a place of great pagan worship, of great idolatry, of great ungodliness. And he's saying that God is going to strengthen the remnant in this environment, who's living surrounded by pagan worship and idol worship - to strengthen them with MIGHT. He's going to pour out glory on them from the treasury of glory. God has a treasury of glory - and what does it actually hold? It holds the reservoirs of the seven Spirits of God, and it is out of that treasury that He pours them forth for those who dwell surrounded by paganism. The Spirit of Might will help you to exercise endurance and patience with joy.

I had one other really interesting experience that the Lord spoke to me from. Well, it wasn't a personal experience, it was someone in my family. My son is a very good horse rider, and he often does bod- double riding in movies or he rides in adverts, does stunt work. In the middle of April this year, he had an advert to ride for. It was for Emirates Bank. He always sends me clips of what happens at the shoot, and there was a picture of him on a beach riding a black horse, dressed completely in white, a white pants, white shirt and a black belt, riding a black horse. And for this advert for Emirates

Bank, he had to gallop across the beach at speed. He was the only one there, but he was released to run in this advert. So often, the Lords uses this son of mine to speak to me prophetic messages about what is happening with the sons. So, I said, "Lord, what is going on here?" And He highlighted the word 'emirates'. An emir is someone who is a prince or someone in governing authority. This is an Emirates bank. A bank is a treasury. So, there's a treasury or a bank with emirs in it; princes, those who are going to be released to ride with governing authority. They're going to be dressed all in white, pure linen (The righteous deeds of the saints), riding the black horse, executing His righteous judgments. There's going to be a release of the sons, just as there was the release of the Purple Mountain Comet from the holding pattern. I believe it's connected to the 42nd generation; the manifestation and the placing of the sons, the remnant seed of Christ, in whom He is well pleased, as they receive the pleroma, or the fullness of the Spirit.

Remember this - that when the sun rises, the morning star will have done its job already and have retired into the wings. When the Sun of Righteousness arises with healing in His wings in a people, then we know the pleroma of the Spirit has been poured out. The Sun of Righteousness will only rise in a people when the herald preparing the way has gone forth. When Jesus ascended on the 42nd day of the omer, there was one more week of holding pattern in order to be fully aligned to what was written, and to place the sons; Matthias being placed as the final disciple. All these things have prophetic pictures for us to learn from - the rising of the Sun of Righteousness, of the King pouring out his glory. The sun has risen on you. Arise, shine, for the glory of the Lord has risen on you. What is the glory of the Lord? It's the outpouring from the treasury of His glory. It's the fullness of the seven Spirits. It's receiving the kingly portion.

Well, I think I've shared enough for one portion. Please email me if you'd like the Unleavened Bread Ministry's information about the asteroid and Planet X, or, if you'd like Bill Britton's 42nd Generation post. I'll share a final part in part four. The Lord bless you.
