

Standing in the Day of Trial

4/4/24

[AUDIO VERSION](#)

Hello, precious saints of God.

I know that I very recently released another podcast, but the Lord is really impressing upon me that He wants me to share something He showed me a little while back at the beginning of March. So, I want to be obedient. Firstly, I just want to mention that, as I said, the red heifer sacrifice had been postponed and they're looking at April the 10th as a new date. I wondered why on earth they chose that date. So, I checked up what it was in the Hillel calendar - and turns out that April 10th is the 2nd of Nisan or Aviv 5784 is the anniversary of the day that Moses prepared the very first red heifer in order to ritually purify the Jewish nation, in preparation for the bringing of the Passover lamb in the newly erected tabernacle. Thursday 11th is the anniversary of the third Aviv. It is when the Levites were inducted into Tabernacle service, and the induction ceremony included sprinkling them with the ashes of the red heifer, which had been

prepared on the day beforehand. Now we know that they've already chosen some candidates for the priesthood, according to their DNA connected to Aaron. So, the sprinkling with the ashes of the red heifer is necessary to induct them into full time service.

Now, what the Lord wants me to share is that He showed me a pattern for the three and a half years of tribulation. He showed it to me according to the watches of the day, and specifically the day when Jesus was led away to be crucified. Now, if you remember, He went with the disciples after their Passover meal to the Mount of Olives and to the Garden of Gethsemane to pray. It was there that Judas arrived with a band of soldiers to arrest Him, and betrayed Him with a kiss - and that happened during the early hours of the morning watch. Then He was taken to the headquarters of the high priests and the religious leaders and interrogated. So, if you've been following me for a while, you know that the Lord said to me that the year 5784 is the morning watch year. That would make 5785 the first watch of the day, from 6 a.m. to 9 a.m., 5786 is the second watch of the day from 9 to 12 p.m. 5787 is the third watch of the day from 12 to 3 p.m. And then 5788, which starts round about September 2027, would be the 3 to 6 p.m. watch.

He showed me that in all the things that Jesus experienced from the time of His arrest, there are patterns and types and shadows of what the end-time believers will undergo as the beast with iron teeth wears out, tramples and overcomes the saints. So, before I share these things in detail, I do want to say that Earth is preparing for war, but Heaven is preparing for a wedding - and when we see all these things happening, we must lift up our eyes, because our salvation and deliverance draws nigh. You have to keep your focus on the things in heavenly places, or you will be overcome both by fear, by sorrow, and by dread. We know

that the Word says that men's hearts will fail them for fear of the things coming on the earth.

So, let's just look in more detail into this pattern, starting with 5784; the year we are in now, which is the morning watch. Now we are coming to the end of nautical twilight, and civil twilight is the last part of the morning watch geographically and practically, according to the clock, and I have shared with you how the morning star rises in the last part of the morning watch as a herald of the approaching sun. And of course, we know that there is going to be a counterfeit morning star, as well as a true Morning Star Company - the mighty men that God fills with His Spirit and the fullness of the seven Spirits of God. So, I've shared that nautical twilight is the time when you can see shapes against the horizon, dark shapes, but you can't make out their features. As you draw to the end of nautical twilight, you begin to see detail, and you discover that the one who's standing right next to you is not who you thought they were. You thought they were a friend because they've accompanied you through your night of preparation, but now it turns out that they are actually part of the enemy masquerading as messengers of righteousness. In the morning watch, the antichrist, the son of perdition will begin to rise, heralding the coming of a new day where he is going to rule and reign and wear out the saints for three and a half years. So, Matthew 26:31 says, (He was speaking to his disciples) *'Jesus said to them, you will all be offended and stumble and fall away because of Me this night. For it is written, I will strike the Shepherd, and the sheep of the flock will be scattered'*. So, we see that by the end of the night, which is the end of the morning watch, there is going to be a great falling away. Many disciples of Jesus are going to be offended and stumble and fall away because of the things that are unfolding. It's very, very sad.

Luke 22:54 speaks of Jesus' arrest. *'Then they seized Him and led Him away, bringing Him into the home of the high priest. And Peter was following at a distance...'*

Matthew 26:56 says, *'all this has taken place in order that the scripture of the prophets might be fulfilled. Then all the disciples deserted Him, and fleeing escaped'*.

So, there we see the falling away, the desertion, the turning back, the backsliding, and doing whatever it takes to preserve your own skin. Many, many so-called Believers will be doing that in these days to escape persecution. And when these things happen, we must remember that the scriptures must be fulfilled. If Daniel 7 says that there's going to arise a leader that's going to persecute and wear out the saints, this is exactly what must be fulfilled, because it is written. Matthew 26:57 says, *'but those who had seized Jesus took Him away to Caiaphas, the high priest, where the scribes and the elders had assembled'*. So, we see here the true followers, faithful followers of Jesus, are going to be brought before religious authorities and accused of all sorts of things. Matthew 26:59 says *'the chief priests and the whole council, the Sanhedrin, sought to get false witnesses to testify against Jesus so that they might put Him to death, but they found none, though many witnesses came forward to testify, and at last two men came forward'*. So even in this morning watch year, to the end of 5784, you can expect, as a Believer, false accusations and people being bought off to lie about you. As a true Believer, your enemies are going to be the members of your own household. Jesus did not come to bring peace, but a sword, and there will be two against three and three against two.

So, this is going to be a very painful part of the whole process of the three and a half years, (and it is right at the beginning!) because it's bad enough when the world hates you, but when people who you've gone to fellowship with, when people who you've considered to be brothers and sisters in Christ turn their hearts against you, it's a very, very painful thing. I had a dream last night that two very dear friends of mine turned against me and would not share with me something that they knew I needed to know in order to make a wise decision. I don't remember the whole dream, but I remember very much the feeling I felt when I woke up and the scripture that came to me was *'the one whom I trusted has turned up his heel against me'*. This is the time of being wounded in the house of your friends. And this is going to be happening in this year, leading up to the end of 5784. Those who operate in a religious spirit, those who are jealous of you, will spread false stories about you, will try and get you cancelled on social media will lie about you, will say the most terrible things - and do remember that the Word says that the chief priests and the Sanhedrin wanted to crucify Jesus because they were JEALOUS of Him. So, the spirit of jealousy releases a death assignment.

There are many people who have things in their hearts, in the body of Christ, that they have not dealt with - unforgiveness, bitterness, jealousies... and these things will be launching pads for attack against the true remnant faithful bondslaves of the Lord Jesus Christ. So, guard your heart. Be prepared. If you haven't learned already, learn how to forgive and to bless those who curse you and pray for those who spitefully use you. Jesus gave the most powerful form of spiritual warfare in these commandments.

In the last part of the morning watch year, true Believers will be accused and unjustly dealt with by governing authorities within the church system. As I've said,

they will suffer false accusation from the religious quarter. There will be mocking, with contempt. The great falling away will not be (in the beginning) Believers saying they don't believe in Jesus. It will be Believers falling away from the righteous plumb line of a holy and a godly life, and allowing themselves to be used by the accuser of the brethren.

Matthew 26:65 says, 'then the high priest tore his clothes and exclaimed, He has uttered blasphemy. What need have we of further evidence, we have now heard His blasphemy. What do you think? And they answered, He deserves to be put to death. Then they spat in His face and struck Him with their fists, and some slapped Him in the face. These are people within the religious system striking Jesus. This is not the Roman soldiers - this is those in the religious system! So, violence against Christians from other so-called 'religious people' is to increase until the end of 5784; the morning watch year closes. It's going to be shocking, the amount of vitriol that's going to come out of the mouths of so-called religious people, because you have the audacity to say that you believe you are sons and daughters of God. And all this time, while they are slapping Him and striking Him with their fists, outside in the courtyard is Peter warming himself by the fire, denying the fact that he has walked personally with Jesus.

Luke 22:59 'and when about an hour more had elapsed, still another emphatically insisted, it is the truth! This man also was with Him, for he too is a Galilean. But Peter said, man, I do not know what you're talking about. An instantly while he was still speaking, the cock crowed'.

Now a cockerel crows at the first sight of light, and that happens at the end of nautical twilight. So, round about now we're going to find those for whom self-preservation and the god of self is of more importance than faithfulness to the

Lord Jesus Christ. So, the remainder of this morning watch year is going to be a time of great separation in the ranks of those who have closely walked with Jesus. The 12 disciples closely walked with Jesus - and yet there was an incredible sifting in that morning watch, as Jesus was carted away before the religious authorities, who spit and yell vitriol at Him. Even amongst those who are just being accused of being dedicated followers of Jesus, some are going to join those who have fallen away and deny the fact that they have walked closely with Jesus. So that is very sad. By the end of 5784, many disciples will have fallen away, just because of what unfolds and the severe persecution that begins from within the religious system.

As 5785 clocks in round about September this year, the beast system will be instituted, and the New World Order is the first beast that is out of the sea. Rev 13:1 *'As I stood on the sandy beach, I saw a beast coming up out of the sea with ten horns and seven heads, and on his horns he had ten crowns and blasphemous titles on his heads. And the beast I saw resembled a leopard, but his feet were like a bear, and his mouth was like that of a lion. And to him the dragon gave his own might and power, and his throne and great dominion. One of his heads seemed to have a deadly wound, but his death stroke was healed and the whole earth went after the beast in amazement, and they fell down and paid homage to the dragon, because he had bestowed upon the beast all his dominion and authority, and they praised and worshiped the beast.'*

So, they praised and worshiped the New World Order and the one world government and all that pertains to it in the form of control. What they're actually doing is paying homage to the dragon, who has supplied the power for this new World Order system to be rolled out. In revelation 17:12, the angel explained that *'the ten horns that you observed are ten rulers who have as yet received no royal*

dominion, but together they are to receive power and authority as rulers for a single hour (That is the hour of trial) *along with the beast*'. And we know that the New World Order has already divided the Earth into ten regions, and there will be heads of those regions.

Revelation 17:13. *'They have one common policy, and they deliver their power and authority to the beast'*. So, these ten regions are led by leaders who are faithful and loyal to the beast system of control and governance - to one world government, one world finance, one world religion. And you can read more about that in Daniel 7:7. Also Daniel 7:23, where the angel says that *'the fourth beast is a fourth kingdom that shall be different from all other kingdoms, and shall devour the whole earth, tread it down, break it in pieces (10 pieces) and crush it...'* And the saints shall be worn out, and given into the hand of the antichrist for time, times, and half a time - which is three and a half years.

But remember this - during those three and a half years, Revelation 11:3 speaks of this, *'and I will grant the power of prophecy or inspired speaking to My two witnesses for 1260 days or 42 months, or three and a half years, dressed in sackcloth'* - representing mourning and repentance. We are the two witnesses, the olive trees, and candlesticks that stands before the Lord of the earth. I believe that it's not merely two specific people like Elijah and Moses, but two witness companies. So, at the time when the beast system is wearing out the saints and overcoming them, there is also a double portion company that is given the power of inspired speaking, to be witnesses. And where are they witnessing? In Revelation 11 it says, *'in the streets of the city, which is where the Lord was crucified, that is called Sodom and Egypt'*. So that is Jerusalem, but Jerusalem represents the church. So, we are understanding that there are two things unfolding, at the same time.

So, 5785 only begins round about September 2024. This is the watch of the day from 6 to 9 a.m, and at this time we see that the chief priests have got what they wanted out of Jesus in the form of saying that He is the Son of God and they are carting Him off.

Matthew 27:1 says, *‘when it was morning, all the chief priests and the elders of the people held a consultation against Jesus to put Him to death, and they bound Him and led Him away and handed Him over to Pilate, a governor’*. So here we see that as 6 a.m. clocks in, at the beginning of 5785, the persecution and onslaught against true believers goes up a notch. Not only is there persecution from within the religious system and those who claim to be Believers, but who are in name only. It is now, connected to a legal system - to the Roman legal system represented by Pilate the governor. Luke 22:66 describes it like this.

‘As soon as it was day, the assembly of the elders of the people gathered together, both chief priests and scribes, and they led Him into their council. And they said, if you are the Christ, tell us. And He said to them, if I tell you, you will not believe Me, and if I question you, you will not answer. But hereafter the Son of man shall be seated at the right hand of the power of God. And they all said, you are the Son of God. Then He said to them, it is as you say I am. And they said, what further evidence do we need? We have heard it ourselves from His own mouth. Then the whole assembly of them got up and conducted Jesus before Pilate’.

And here we see that the law is going to start being used to sentence Christians to death. And as I mentioned last time, the Noahide laws are going to come into evidence because the Jews do not believe that Jesus is the Son of God and the Noahide laws. consider that those who believe that, guilty of idolatry. They should

be put to death! So, Pilate has Jesus brought before him. It's the first watch of the day. He asks them, "well, you know, what is it that He is guilty of?" And they hurl insults at Him, accuse Him of all sorts of things! I want you to know that the law is going to side with the unrighteous. In this time of tribulation, vileness will be exalted. We have seen a worldwide hatred of the Jews sweeping the nations. So too it will spill over and be directed against Christians - and there will be crowd support for harsh punishment for Christians. The Fourth Reich or the revived Roman Empire is what will be used in order to bring the law down upon the necks of innocent Christians accused of idolatry and blasphemy. So, if you remember, Pilate the governor said to the people a number of times, "Which of the two do you wish to be released for you?" And they said, "Barabbas". Now, Barabbas means 'son of Abba', but he is a murderer and a troublemaker. Who is a murderer from the beginning? Satan. So, we know that Barabbas is a type of the son of perdition or the antichrist, the son of Satan, who is rising to take central stage. And we see that the crowd is calling for the antichrist to be brought before them and to be released among them. They are calling for the death of Jesus. Pilate said to them, "What shall I do with Jesus who is called the Christ?" And they reply, "Let Him be crucified". *'And he said, why? What has He done that is evil? But they shouted all the louder, let Him be crucified!'* Now remember that this is the people of Jerusalem, or the people of the church that are calling out these things. So, we see there is a change of allegiance, and the call for the antichrist is largely coming out of the mouths of those who are nominal Christians; who are bearers of His Name only, and who are not living and serving Him - a great, great betrayal. And they call for Barabbas. This signifies a calling for harsh punishment and even death for innocent Christians - and the Law is being appealed to to carry out these deaths or murders.

Revelation 13"6 (Speaking of the antichrist). *'He opened his mouth to speak, slanders against God, blaspheming His Name and abode, vilifying those who live in heaven. And he was further permitted to wage war on God's holy people and to overcome them. And power was given him to extend his authority over every tribe and people, and tongue and nation. And all the inhabitants of the earth will fall down in adoration and pay him homage, every one whose name has not been recorded in the Book of Life, of the Lamb that was slain from the foundation of the world'.*

So, we find these a further falling away of those who are not true Believers, as they call for Barabbas to be released into their midst. Revelation 13:10 contains a strong warning for true Believers at this time. *'Whoever leads into captivity will himself go into captivity. If anyone slays with the sword, with the sword, must he be slain. Herein is the call for the patience and faith and faithfulness of the saints'.* And there's a warning from the angel in revelation 14:9 *'An angel saying with a mighty voice, whoever pays homage to the beast and his statue and permits the beasts stamp to be put on his forehead or on his hand, he too will have to drink of the wine of God's wrath, poured undiluted into the cup of his anger, and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb'.* And again, Revelation 14:12 *'Herein comes a call for the steadfastness of the saints, the patience and the endurance of the people of God, those who habitually keep God's commandments and their faith in Jesus. And then I heard further, a voice from heaven saying, write this, blessed are the dead from now on who die in the Lord. Blessed says the Spirit, are they in that they may rest from their labors, for their deeds follow them'.* So, we see here that the Spirit is warning that a great martyrdom begins to roll out in the earth; it begins in the year 5785, and how Jesus was sentenced to death during the first and second watches of the day of the 14th of Aviv.

Now, I originally always thought that Jesus was put on the cross at about 9:00 in the morning, but I hadn't checked the Word rightly, because John 19:14 says that Jesus was put on the cross at 12; the sixth hour: *'Now, it was the day of preparation for the Passover (That's speaking of the 14th of Aviv) and it was about the sixth hour, 12:00 noon. And he said to the Jews. See, here is your king. But they shouted, away with Him, away with Him, crucify Him! And Pilate said to them, crucify your king? And the chief priests answered, we have no king but Caesar. Then they delivered Him over to them to be crucified. And they took Jesus and led Him away so that He went out bearing his own cross to the spot called the place of the skull. In Hebrew it is also called Golgotha'.*

I discussed that in a previous podcast, where the word Golgotha is quite likely from the word 'Golgolet', which speaks of taking a census - which was done at the top of the Mount of Olives. And the word for 'skull' can also mean 'the top of a mountain'. So, the whole of the morning up to 12 p.m. Pilate was going backwards and forwards between Jesus, asking the questions, coming out to the crowd, hearing them baying for His blood, and calling for the antichrist or for Barabbas to be in their midst. So, he actually handed Jesus over to the Roman soldiers (or to the legal system) some time between 9 and 12, more likely close to 12, and we're told in Matthew 27:27, *'the governor's soldiers took Jesus into the palace, gathered the whole battalion around Him, stripped off His clothes, put on a scarlet robe, and weaving a crown of thorns, they put it on His head and put a reed in His right hand, and kneeling before Him, they mocked Him, saying, hail to you, King of the Jews! And they spat on Him, and took the reed and struck Him on the head. And when they had finished mocking Him, they stripped Him of the robe, put His own garments on Him, and led Him away to be crucified'.*

We know that happened round about midday, the sixth hour or 12:00 noon. So, we can see that according to what happened to Jesus, being a pattern of the three and a half years of tribulation, it starts out just being you in the midst of religious circles, being persecuted. And then it becomes formalized into using the New World Order and the revived Roman Empire to execute the laws that have been instituted, which will probably be the Noahide laws, and sentencing Christians to death. All the time there is very bad treatment from the soldiers, the legal system, great injustice and mockery. And I just want to remind you now that Jesus Himself said, *'blessed are you when men say all manner of evil against you falsely for My sake. For in the same way, they treated the prophets of old and great will be your reward in heaven'*. So, He called us to rejoice when we are persecuted for righteousness sake.

I want to move on to the year 5787, which will begin round about September 2026 - and that is paralleled to the watch of the day from 12 p.m. to 3 p.m. We are told that there was great darkness on the earth. There was an eclipse, and there was darkness on the earth from 12 to 3 p.m. So, the year 5787 will be a year of terrible darkness for Believers; great suffering - but at the same time, we see the harvest being brought in. We see the thief on the cross saying to Jesus, *'remember me when You come in Your glory'*. And Jesus answering him, *'truly I tell you, today you will be with Me in Paradise'*. So, we see salvation amongst the wicked. Christians are thrown into prison and awaiting death, and those around them will come to salvation because of the witness of their life. We also know that as Jesus died, the Roman soldier recognized that He was the Son of God. And we know from historical documents that he later became one of Jesus' disciples and was found amongst Believers. I think his name was Malcus, and it is said that he actually cut off his hand; the hand that nailed the nails attaching Jesus to the cross.

So, the year 5787 contains terrible darkness, and the opportunity to say, "Father, forgive them. They do not know what they are doing". The thing we must remember is that we are here on Earth as a witness. -the two witness companies; living martyrs until the time of our death. And it's not important whether we live or die. What's important is that we complete our witness. Our lives are hidden with Christ in God, and it's no longer us who live, but Christ who lives through us. So, the last harvest will be brought in during the year 5787, which begins around September 2026 until around about September 2027, when 5787 ends.

That will be like 3 p.m., the end of the third watch of the day when Jesus said '*it is finished*'. And Matthew 27:51 describes it so amazingly: '*and at once the curtain of the sanctuary was torn in two from top to bottom. The earth shook and the rocks were split, the tombs were opened, and many bodies of the saints who had fallen asleep in death were raised to life*'. So, we see that a great earthquake comes at the end of the year 5787, that the persecution of the saints is at an end, that the reign of the antichrist is at an end. He's only given three and a half years, a short time, to rampage around. And when the full number of martyrs has come in, his time is over.

Rosh Hashanah is called the coming of a King. And I believe that at the end of 5787, round September 2027, Jesus will return for his Bride. If we look at what happened to Jesus Himself on the day he was put to death, He died at 3 p.m., gave up His spirit, and then His body was taken down from the cross. He was wrapped in linen, and myrrh and aloes were applied to His body, and then he was sealed in the chamber in the rock. I've shared with you before that Psalm 45 is the wedding psalm and it speaks of the bridegroom's garment being fragrant with myrrh, as well as aloe wood. It is the fragrance of the open tomb. Myrrh is also

the essential oil that is put on Israeli brides on the day of their wedding, and it's called the oil of joy. And we know in Revelation that it says that the Bride who has made herself ready is granted to be clothed in white linen. So, we see in the typology of what happened to the body of Jesus when He was taken down from the cross, the clothing of the bride in white linen, and the application of myrrh and aloe wood. Jesus said, "I go to prepare a place for you". There is a place for you in the cleft of the rock, hidden in the Rock of Ages. Then comes the bowls of wrath.

The three and a half years of tribulation are for the function of what a Roman tribulum does. A Roman tribulum separates the wheat from the chaff, removes that which has no nourishment or substance and is lightweight, and separates out the true kernels of grain to put in the storehouse. When the tribulum has done its work, the grain is lifted up and stored because it is precious and weighty. And the Lord will bring in the last great harvest. Halleluyah.

I just want to say in Revelation 11 there is a hidden description of the Lord coming for His Bride. In verse 7, the two witnesses, *'when they have finished their testimony and their evidence is all in, the beast that comes up out of the abyss, will wage war on them, conquer them, and kill them, and their dead bodies will lie in the open street of the great city.'* In Greek, it is the 'broad way'. We know there's a narrow way, and there is a broad way. So, they've been witnessing in the broad way that leads to death, calling people to repentance. And then it says in verse 9, for three and a half days, men from all races, tribes, and languages and nations will gaze at their dead bodies. So obviously, it's not only talking about two men in a city in the Middle East. Because we see that there are dead bodies wherever there are nations and races and tribes and languages - so all over the earth. The two witness companies will have been giving their witness as living

martyrs and then will be conquered by the beast system. And it says those who dwell on the earth will gloat and exult over their dead bodies and rejoice, because *'these two prophets have been such a vexation and trouble and torment to all the dwellers of the earth'*. So obviously this is two witness companies that are worldwide, because all the dwellers of the earth have been tormented by their righteous plumb line standard in the midst of their wicked ways.

And then it says, after three and a half days, by God's gift, the breath of life enters into them. That's resurrection power and life. *'And they rise upon their feet, and great dread and terror falls on those who watch them. And then they heard a strong voice from heaven calling to them, come up here. And before the very eyes of their enemies, they ascended into heaven in a cloud.'* I believe this is the catching up to meet the Lord in the clouds for the wedding.

I want to just read to you again something the Lord said to me on a message called 'Freedom from the Fear of Death'. **'My people must learn to harness their emotions and bring them into subjection to their spirits, if they are to be able to stand in the mayhem that will soon unfold. Things are going to break out that will make grown men fall apart at the seams, and My remnant must have their emotions under firm control in order to successfully navigate these waters'**. So I asked him, "Lord, how does one harness one's emotions?" **'In just the same way as you take every thought captive to the obedience of Christ, so too must you declare your emotions to be submitted to the Spirit of Christ. Pull down hysteria and every form of uncontrolled emotional outburst, fear must be dealt with now before the days of panic ensue.'**

Bring every grain of fear you feel out into the light. I know it is considered unspiritual to be afraid - and shame and fear are bedfellows among My saints, but even My servant David, a man after My own heart, was often afraid... but he

knew what to do about it.' And as He said that, two verses scrolled through my memory from Psalms, *when I am afraid I will trust in you, in God, whose word I praise'*. And the second one was *'when my heart is overwhelmed, lead me to the rock, the rock that is higher is I.'*

Then the Lord continued speaking:

"In every place where fear has a foothold, it is only because you do not have a complete revelation of My love for you. Perfect or complete knowledge of My love drives out fear every time. So come to Me now and present your fears to Me and let us examine them at their root. My love is shed abroad in your heart as it is needed. So, admit your fear, admit your need, and let Me defuse it now, in preparation for the darker days ahead. Fear undealt with only grows, and before you know it, it has stealthily wound its tendrils around many sections of your heart with its vice grip. David could face the giant without fear because he knew Me and had experience of My love and protection far from the battlefield. So come to Me, say it out loud and name it by name and then allow Me to dismantle it completely. Your life is in My hands, you know! Every breath you take is through My grace. Do you fret that the oxygen will run out? Of course not! Even though men say that the planet is dying, I keep it spinning. And I take care of the sparrow. When you really understand how much I love you, nothing will have the power to terrorize you again. If I loved you enough to send My own Son to save you, is your life not in good hands in My care? So, let's open up those inner recesses and bring out every fear that lurks. At the root of it all, fear germinates because of unbelief in My word and My promises. So, let's get rid of that, shall we? Let's leave the enemy no foothold to torment you with. Great peace shall be your portion once all fear is driven from your foundations. We must waste no time in doing this, Beloved. Dark plans are afoot, but under My wing is a place of shelter and safety. Do you believe this? Do you believe I am able to keep you?

Then why are you still afraid...?"

And I want to finish with a scripture in Daniel 11:32. *'And those who violate the covenant, he will pervert and seduce with flatteries. But the people who know their God shall prove themselves strong, shall stand firm and do exploits, and those who are wise and understanding among the people shall instruct many and*

make them understand, though some of them shall fall by the sword and flame, by captivity and plunder for many days. And when they fall they shall receive help, and many shall join themselves to them with deception and flatteries. And some others who are wise, prudent, and understanding shall be weakened and fall. It will be a test to refine, to purify and to make those amongst God's people white, even to the time of the end...'

So, let's pray, Beloved, that we may be counted worthy to escape the things coming on the earth and to stand in the presence of the Son of Man. Let us pray and ask the Holy Spirit that we would not be deceived, that we would not be found amongst those who are able to be perverted and seduced with flatteries - that we would not be amongst those who violate the covenant, but we should be known as those who know their God and prove ourselves strong, that we will stand firm and do exploits for God - that all the glory and the honor and the praise may go to Him. And as Paul says, "If I live, I live for the Lord. If I die, I die for the Lord". May He be glorified in all. Amen.
