

Incoming Landslide

20 November 2024

[AUDIO VERSION](#)

Hello my precious brothers and sisters,
It's has been a while. I have been busy with the songs the Lord is releasing and encouraging me to share with remnant, wherever they be in the earth, so that is why these Fresh Oil Releases podcasts have taken a bit of a backseat for the moment. I feel an urgency to get out everything that needs to be released at this time.

I just want to remind you that tomorrow, 21st of November, the album 'Songs of the Bridal Chamber' will go live on Spotify and on YouTube, and eventually it will get to Apple as well. So do put that on your playlist, do share it with friends, it is really a call by the Holy Spirit to finish the preparations and come into intimacy and hiddenness and protection with the Bridegroom at this time.

On Monday I noticed that it was the 17th of Cheshvan in the Hillel Calendar, which is the day that the judgement flood happened in Noah's time. It began to rain - the fountains of the deep and the windows of heaven opened at the same time. I asked the Lord, is there something going to be triggered in the earth realm in this period? And I want to share with you what He shared with me.

Now this is quite largely a word for the American remnant in the continent of America, however it will affect the whole world. It is not a comfortable word, I think there are going to be people that are probably going to judge me for releasing these words, but I have to share what the Spirit of the Lord has shared with me, and then there is confirmation from another word that I shared some time back, so I will also share parts of that with you.

I asked, "Is something going to be triggered in the earth realms, is the financial crash of the dollar about to start, because Germany is already crumbling and going down like David Wilkinson said it would, and Japan has also wobbled severely? Lord, is something going to unfold?" This is what He said,

"Yes daughter, there will be a landslide, not a landslide victory like the Trump supporters are celebrating, but a landslide of judgements is going to unfold. Just as in a natural landslide, it starts with a few stones tumbling downhill and no-one takes any notice, and then suddenly the whole side of the hill plunges downwards, and there is no time to escape."

"Are You talking about the financial realm Lord?" I asked.

"Yes and no. That will be part of it, but remember the man surrounded by boxing gloves," yes Lord, **"Check back what I said there, as the punches are about to be pulled, and people will be blindsided by blows from directions they did not expect."**

"Oh Lord," I said, "man is so small; how will we stand?"

"Not many will keep standing, only those on their knees daily will be passed over. There will be much poverty, much suffering, a great feeling of betrayal, and waves of mourning, as blow after blow strikes."

"Lord, is Trump going down one of the blows?"

“Yes daughter, he loves his country but I cannot allow idols to stand before Me, especially those My people have raised up on pedestals. Their blind loyalty and adulation is bordering on blasphemy - for they say he will save them and their way of life. They forget that I keep an extensive record of the sins of this great nation, sins against other nations, sins against its own people, sins against the most vulnerable and innocent. All these weigh down the scales in heaven’s courts of justice.

National pride is a stumbling block amongst My people. Do I not call them to walk as aliens and strangers in this world, looking for a heavenly kingdom? I am God and I will tolerate no other gods before Me. I gave My people what they wanted, a man of the flesh as their saviour, but this will not short-circuit the judgements appointed. Remember my people dancing around the golden calf, an idol of their own making? Where was My true bondservant? Up the mountain face-to-face with Me... and so it is today. My faithful ones are not entangled in the affairs of this life. They sit before Me, receiving instruction on how to proceed and carry out kingdom purposes. The first thing that must be destroyed is the golden calf.”

“Whew, Lord,” I said, “People are not going to react well if You allow his enemies to take him down.”

“Yes daughter, much violence will fill the streets. Anger at unfulfilled expectations will be the flame that lights the fuse leading to mayhem and madness. People will lose their ability to think rationally, so great will be their grief, and so-called street justice will be the order of the day. Apply the Blood to your homes, and cover your loved ones in prayer. Do not slacken! Many will lose their lives, and martial law will be instituted. When those fences are clamped into place, you will know it is time to walk circumspectly and set a guard before your mouth. These will be dangerous days. Be led by my Spirit in all your movements and actions, do not lean on your own understanding, or the wisdom of men.”

So that is what He shared with me on Monday, and this morning when I prepared to do this podcast, I was praying about it, and I heard the phrase ***‘accelerated evil’***.

He mentioned the boxing gloves, so that comes from ‘A Banquet and a Blueprint, part 3’, which was a series I released some time back. I want to just share parts of it with you, as the Lord has directed me.

This is a direct quote from that post:

'And then He said something very interesting: "The dragon's mouth is COP28."

Now those who have listened to my podcasts know that COP28 was the climate change conference that was held late last year; they have actually just had COP29 in this month of November 2025, which descended into a bit of chaos, because the leader of Azerbaijan declared that oil and gas were a gift from God, and that really angered the climate change people. Anyway, I am continuing to quote from A Banquet and a Blueprint.

'He said to me, "It will flow from many directions, so many at once that those who are not grounded on the rock will find their feet swept out from under them". I was immediately reminded of the parable Jesus told of building your house upon the rock or upon the sand. Deut 32:3-4 says 'our God is a rock, and there is no unrighteousness in Him'.

*Then I saw a boxing glove again. I had seen one before, a fist in a boxing glove, when He spoke about nuclear fission, but this time there were 7 boxing gloves, and they were all shooting out of long crisscrossing springs. You know when a Jack-in-a-box comes out of the box it has that kind of spring that can extend. Well I saw that boxing gloves, with the hands inside, were all mounted on those kind of springs, and they came from all different sides, like all different points on a clock, 7 punches all at once in a circle towards a lone person that was standing in the middle, and I heard this. Having no escape or room to avoid these punches, or any of the blows, will leave people reeling. The Lord said that the person standing in the middle represents mankind. **"The dragon hates those made in My image. In the year of the dragon the punches will be pulled, and the only escape is for those braided to Me"**, and that is a reference to the wings of the giant eagle that I shared about in Part 2 of A Banquet and a Blueprint.*

A day or so later He told me that 2024 will be a very tumultuous year. I looked up 'tumultuous'. It means 'full of confusion, change and uncertainty'. The etymology of the word 'tumultuous' comes from the Latin 'tumultuosus'; it means 'commotion, uproar, disorder, disturbance and unruliness'. Now we have seen that breaking out haven't we.

Then the Lord took me to Deut 32:24, it is the song of Moses, which is the last song which he relayed from the mouth of the Lord over the people of God before he handed over the baton to Joshua and the Lord took him home. So Deut 32:24 is describing what happens to those who forget their God, worship other gods and

are unmindful of Him, and move Him to jealousy with their vanities or their emptiness, and ungodly lifestyles. Deut 32:24 says,

“They shall be burnt with hunger, devoured with burning heat.”

There are actually 7 things in verse 24 & 25, just like the 7 boxing gloves, pestilence, the teeth of beasts and the poison of serpents of the dust. This from the King James. *“The sword without and terror within shall destroy the young man and the virgin, the suckling and the man of grey hair.”* In other words, all age groups of those who have forgotten the Lord will be affected. There is a 7 fold judgement being unleashed. Actually in verse 23 He says, *“I will spend my arrows upon them.”* That tells you God is really angry. Verse 22 says, *“A fire is kindled in My anger and burns even to the lowest hell, and shall consume the earth with her increase, and set on fire the foundations of the mountains.”*

So we see this as actually a description prophetically of the day that burns like an oven, described in Malachi 4, also called the Day of the Lord. The Lord connected Deut 32:24-25 with its 7 judgements to Revelation 6:8, where the 4th seal is opened and the death rider rides. Let's just read that so we can get the whole context of what the Lord is connecting here, because it is important that there are these 2 witnesses in the Old and the New Testament, the pale horse that is riding after the 4th seal opens.

“ And I looked, and behold a pale horse:” that word is ‘cloros’, it also means ‘green’, chloe is the word in Greek, *“and his name that sat on him was Death, and Hell followed with him.”* So this death rider on the pale horse is bringing hell with him, he is accompanied by a whole demonic entourage, and it says power was given unto them, over a quarter of the earth, to kill with sword, hunger, death and the beasts of the earth.

In the Amplified Bible those things that a 4th part of the earth slays with is listed as the sword, famine, pestilence or plague, and wild beasts. So we see that there is 1, 2, 3, 4 of the seven judgements of Deut 32 mentioned as being unleashed with the pale horse riding and the 4th seal.

Now something utterly astounding is that Deut 32:25 is the 5784th verse in the Bible, the year 5784 in the Hebrew Calendar has been for most of 2024. Can you get more convergence than that?

Verse 32 of Deut 32 also tells us something, but let's start at verse 30.

*“How could one chase a thousand,
And two put ten thousand to flight,
Unless their Rock had sold them,
And the Lord had given them up?”*

Now the Babylonian church often uses the first half of this verse in intercession, when talking about warfare and victory. They misquote this verse totally. They say one can chase 1000, and two can chase 10 000, and they are talking about the church waging warfare in unity and sending the demons fleeing, but this verse is not about that. This verse is about our God the Rock having delivered up His people, surrendering them to these judgements, and why? Because verse 31 says,

*“For their rock is not like our Rock,
Even our enemies themselves judge this.”*

So what is He saying? The one that they are worshipping, the one they call God, is not the real God, the Rock. Even the unbelievers and the enemies know and can judge that what the Babylonian church is saying is god is definitely not our God the Rock. Then it says something very important in verse 32 and verse 33.

“For their vine is from the vine of Sodom,” Now what was Sodom judged for? Incredible sin and uncleanness, homosexuality, vile abominations passed off as normal sexual activity. Then it says,

“Their grapes are grapes of gall, their clusters, bitter.”

Gall is bitterness and gall is a poison, so they are making wine and serving it up, but it is poisonous, and their clusters are bitter. Their wine is the poison of dragons, says the King James. ‘Tasnim’ is the Hebrew word. It actually means ‘a sea serpent or sea monster,’ leviathan is the sea monster or serpent. It says their wine is the poison of dragons and the cruel venom of asps. So their wine is combined from two different vintages, the poison of dragons and the venom of serpents. How interesting, when you think about the shot in the arm that has snake venom peptides in it. You can find more about that from Dr Bryan Ardis.

God is coming to judge it says, Deut 32:36, “The Lord will judge His people and repent and relent for His servant’s sake.” Which servants? It says His ‘ebed’ in Hebrew, His bond servants. So we see the judgement by fire, a 7 fold judgement, is unleashed on those who have been unmindful of their God, been drinking the venom of serpents disguised as the best wine in the Babylonian church,

something satan has cooked up and is serving as a counterfeit wine, and saying it is from God the Rock.

Deut 32:43 says that the Lord will avenge the blood of His bond servants who have been martyred, and will render vengeance to His adversaries and be merciful to His land and His people.

So this is the song of Moses that God said would drop like the rain and distil as the dew, and as the little showers upon the tender herds. The Lord is coming in power, and He will protect His consecrated ones, avenge them and render recompense to them.

Chapter 33 goes on from this, and Moses is still talking, but Chapter 32 is the song that God gave Moses to sing, and then Moses himself releases a blessing over the people of God as they prepare to cross into the promised land. Chapter 33 is absolutely wonderful. It says that God is coming from Sinai with 10 000's of His holy ones. Those are His consecrated ones, and He is releasing a flaming fire from the position of His right hand. Where is His right hand? It is where the sons of the right hand are positioned. This is connected to the scripture in Habakkuk 3:3-4, where Habakkuk speaks of having a vision of the Lord approaching from Mt Paran, and it says in verse 3,

*"His splendor and majesty covers the heavens
And the earth is full of His praise."
4 His brightness is like the sunlight;
He has rays streamed from His hand,
And there is the hiding place of His power."*

So there is power streaming forth from His right hand, rays of light and power. That is telling you that the sons of the right hand are receiving, being filled with, and releasing light and power, and executing righteous judgements under the direction of the Holy Spirit'.

Now the Lord said in Part 1 & 2 of the Banquet and the Blueprint, "In the year of the Dragon the punches will be pulled". The year of the Dragon began on February 10th, 2024, and continues until February next year. Remember the Lord said COP28 is the mouth of the dragon.

That's all I am going to share with you from a Banquet and a Blueprint. Please go back to the podcast and listen to it, if you want to hear any more detail, what the Lord said in total in that. In this week the Lord is warning me about a

landslide of judgements, about the leader that many of the Christians in the United States are putting their hope and trust in, being taken down.

Now Trump's stepping into office is supposed to happen in January. A lot can happen between today, 20th November 2024 and January 2025. We already have America giving permission to shoot long range weapons into Russia. We already have the leaders of Russia being in their underground nuclear bomb shelters. There is coming a landslide of judgements. Prepare yourselves, gird your loins, break bread daily, anoint your house for protection, and pray. Be one of those found on your knees daily, that you may be passed over in the day of the unfolding judgements.

So I would like to add a song at the end of this podcast, as I have been doing of late. It is called The Banquet, and it is self-explanatory. If there is anything that you have left undone in your preparations so far, in the Bride making herself ready, it is not too late but hasten to complete the things the Holy Spirit has been urging me to do.

Lots of love to you Remnant. Thank you so much for your emails, thank you so much for your prayers, I really appreciate it. God bless you and keep you.
