

The Heavens Declare

14th Jan 2025

[AUDIO VERSION](#)

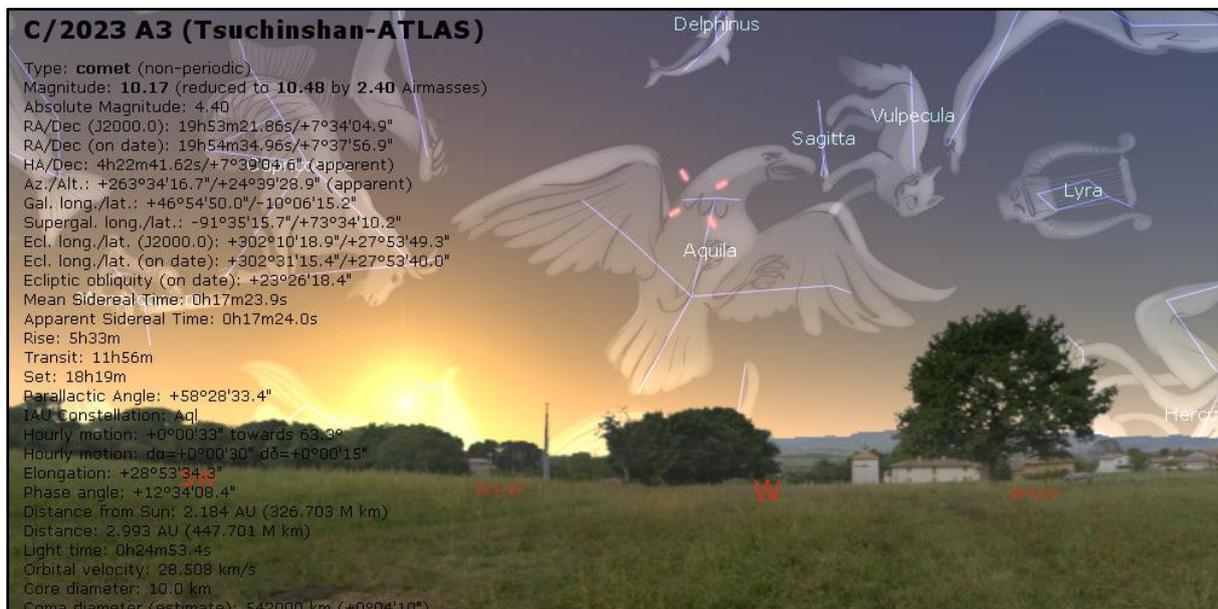

What time is it? God's creation often shows us the time if we will just look and listen to what the Spirit says. It was brought to my attention that the Purple Mountain comet; comet C/2024 G3 (ATLAS), was visible again yesterday, 13th January 2025. The picture above was taken at dawn. Despite a bright twilight sky Rob Kaufman was surprised he could see the comet so clearly through 8x42 binoculars around 5:15 a.m. local time from Victoria, Australia.

This comet will be most visible for people in the Southern Hemisphere, who will be able to look towards the eastern horizon before sunrise, or the western horizon after sunset, according to New Scientist. From Cape Town, south Africa, our sun sets quite late in summer, after 7pm, so it may be difficult to see the comet so far south, as the sun is still quite bright before the comet disappears behind the horizon. It is positioned in the Aquila or Eagle constellation, behind the neck - or riding between the wings of the great eagle, to the right of the sinking sun.

However, if you're in the Northern Hemisphere (including the UK), viewing conditions may be slightly more challenging, due to the comet's position relative to the sun. According to New Scientist, the comet will be visible through until January 14. In fact, the best viewing time for places like the US and Europe will come around 30 minutes after sunset. This is the viewing position in the West from Jerusalem on 14th January 2024, at 16h20pm, the image below is the position from Jerusalem.

This positioning in the Eagle constellation is significant as it connects us to the woman in Revelation 12 being given the wings of a great eagle to escape the dragon's flood. Remember also that the Purple Mountain comet represents the manchild. So, the heavens are giving us a sign that all the earth is able to see, perhaps with the help of binoculars in some cases. The stars are releasing their speech throughout the earth, as psalm 19 describes. They are announcing that the time of the woman being given the wings of a great eagle to flee from the dragon's flood is close at hand, and also that the manchild will be raised high and endowed with authority, being clearly visible on earth at that time. In other words, the manifestation/adoption/placing of the sons of the right hand is at the door. And I felt like the Lord is saying, **“Don't only wait in the posture of endurance. Now is the time to wait with EAGER ANTICIPATION, for that which you have longed and looked for is close at hand – on the lip of outpouring!”** When I heard that, it triggered an ancient memory. On 24th May 2017, I released a post called 'On the Lip of Outpouring'!

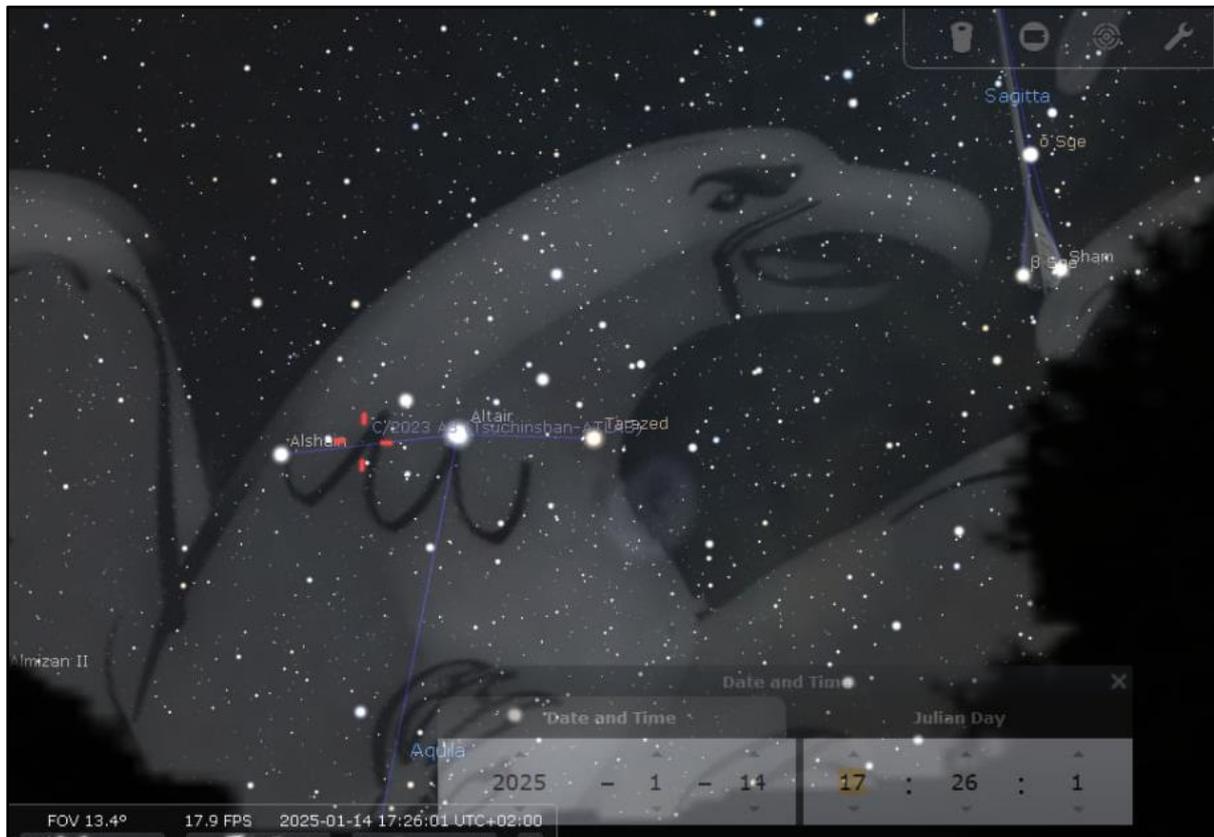

Here is a quote from that post:

There is a fullness of inheritance to be released to you in the kingdom of God. It has been kept beyond the reach of change and decay in Heaven for you and is about to be poured out. No-one can steal your inheritance from you. You may have been captive for a while but your inheritance is safe, unsullied and untouched and on the brink of flooding into your life! From the womb of the upper room will spill forth God's fiery power-filled remnant, those who are willing to follow the Lamb and bring in the harvest of the end of the age.

I have also been seeing a close-up snap vision repeatedly for about 10 days now – it is a zoom in sight of the pouring edge of a tilted vessel and there is golden liquid poised right on the edge of the lip, as if there is a millisecond before the vessel is tilted one small amount more and its contents poured in a golden river onto what is positioned

below. Is the liquid oil, or some other golden substance? I do not know. What I do know is that we are poised in the last moment before this outpouring! WAIT WITH EAGER ANTICIPATION AND EXPECTATION.

The comet's position on these days of sighting is in between two stars, Al Tair (the wounding) and Al Shain (the bright), which is interesting as Al Shain is positioned in the eagle's right side, perhaps signifying the glory being poured out on those rightly positioned as the sons of the right hand. Isaiah 60 says His glory shall be seen on you!

Non-coincidentally, on the same day as I read news of the fresh appearing of this comet, I also received a gift delivered to my front door - a beautiful painting, depicting a vision I had shared in the post 'Power for Flight' (released May 2024).

This butterfly represents the manchild company rising toward the throne and being equipped with the 7 Spirits of God. Here is a short excerpt:

I saw the Lion of Judah roaring and the butterfly with jewel wings was positioned inside His mouth. There was a river of liquid flowing earthwards out of His mouth and the butterfly surrendered and yielded itself into the flow and the jewels in the wings became liquid rainbow colours of the sevenfold Spirit of God raining down upon the earth in the

mighty outpouring. The pouring out of the roar was not random but over a specific location where an altar had been built in the wilderness.... I was given understanding that the butterfly represented the manchild company who rose towards the throne with the equipping of the seven spirits of God. Just as the birth and ascension of the manchild in Rev 12 triggered the release of the woman from her birthing assignment, so she could be transitioned to her appointed place in the wilderness, so too the ascent of the butterfly triggered the opening of a bottle of the best wine.

The positioning of the butterfly in the mouth of the Lion tells us that the manchild will be involved in the release of the roar of God in the earth; that this company will surrender completely to their call and become part of the mighty roar of creative sound released over the woman in the wilderness. Incorporated in this sound will be the ministrations of the seven spirits of God. So we know the manchild will be involved in ministering to, feeding and preparing the Bride during the 3 & 1/2 years of the dragons flood. The flooding sound of Heaven's best wine poured out on the surrendered Bridal company will impart all that is needed to sustain, strengthen and equip her for Kingdom purposes. The dragon releases a river of death but the Lion of Judah releases a river of life and power!

So be encouraged as you wait with your hearts positioned before the throne. Heaven sees you and all the months of preparation and self-denial. The heavens are declaring His endtime purposes for the season ahead – the manchild company is to be elevated, equipped and positioned for Kingdom purposes. Yes, there is a demonic flood to be unleashed against the Bride of Christ, but God has already commissioned help to be sent to carry her to safety. A 3&1/2 years period of great trial is appointed but the Lord cares for His bonds-lave saints and has plans in place for them. Two months today is the Hillel feast of Purim on 14th March, a time of remembering God's great deliverance for His people. The early Barley calendar marks this feast a month

before this, in February. Trump takes office in one week's time and the Los Angeles fires mark the beginning of terrible sweeping judgments for the unrepentant, both in the continent of America and worldwide. This debate as to whether the fires are from God or started deliberately by wicked men using energy weapons etc is null and void because God does use the wicked to execute His righteous judgments on His unfaithful people – we see this many times in the Old Testament, where God used Assyria or Babylon to take His harlot people into captivity. The day that burns like an oven is at hand. Keep your eyes fixed on things above, keep joyful in His presence and pray much in the Spirit. May you hide under the shadow of His wing in these days!
