Launched Amidst the Weeping Transcript

Hello, precious remnant. I've got a number of different things I want to share with you today, and I am going to just share them one after the other as they're all connected. Sometime in 5781, I am not sure exactly when, because I cannot find it again in my journals, the Holy Spirit said to me in the middle of the night, “**Next year the door to the bridal chamber closes**”. He didn't say when in the year, He just said ‘next year’, and I wasn't clear as to whether he was talking about the Roman calendar or the Hebrew calendar. So, I've had this awareness on the topic. I think He was really referring to the parable of the Ten Virgins; the five wise and the five foolish - and when the foolish ones are out looking for oil, they come back and the door to the bridal chamber has closed. So, I've been pondering this and spoken much about being ready, being prepared, having your lamps burning.

And then, on the 25th of October 2021, as I sat down and spent time with the Lord, He said to me just one phrase, “**One more round**”. And when I asked, “Of what?” He said, “The feasts”. Then He reminded me what He had said about the door to the bridal chamber closing. And I realized, because He referred to feasts, that He was referring to the Hebrew calendar. So, when in 5781, He said, “next year the door to the bridal chamber closes,” He was talking about 5782. Now, this year has already begun. It started with Rosh Hashanah 5782, and we're now two months into that year. So, the end of that year would be the last day of Elul 5782, just before Rosh Hashanah 5783.

*Isa 29:1 WOE TO Ariel [Jerusalem], to Ariel, the city where David encamped! Add yet another year; **let the feasts run their round [but only one year more]**. Isa 29:2 Then will I distress Ariel; and there shall be mourning and lamentation, yet she shall be to Me like an Ariel [an altar hearth, a hearth of burning, the altar of God].*

And then He reminded me of a vision I had had of a man with a megaphone standing on a rocky coast next to a lighthouse. And he was shouting loudly at all the little boats tossing on the very stormy sea. And what he said was, “Flee to the name of Jesus. There is no other name under heaven by which you might be saved”. I had this vision on the 4th of April 2020, and you can read about it in detail in the message called ‘A Vision and Word from the Lord April 2020’ that is on my website.

And then, as I was sitting there on the 25th of October, He showed me the cogs in the workings of a clock and how many cogs have to turn and move before the small one that is on the side moves. But all the cogs are synchronized. And He impressed upon me that He would bring me into the bridal chamber (and of course, all of the remnant there are appointed to be in there) at the appointed time. And when He showed me that he was referring to 5782 as the last year, in which to get safely positioned in the Bridal Chamber, I asked Him why wasn't I using the calendar that He gave to his people when they came out of Egypt? Do you remember that He said to Moses, "This shall be the first day of the first month for you," when they left Egypt? And the answer to my question that He gave was this: He said, "Because you use the original calendar; the calendar of the garden".

And then I understood because Adam and Eve's first day of existence was Rosh Hashanah, the feast of trumpets and zi have spoken often about journeying back to the garden. And that is why He would have me referred to this calendar when doing time markers. Because the time of coming into the bridal chamber would be just before the next feast of trumpets.

Then I asked Him, "Why don't I use the Enock calendar?" And He replied, "That is a heavenly calendar. Because of where I have positioned you in the Earth, you are anchored in the throne room and from there your turning is determined but your feet are planted on Earth for My precise announcements and warnings. What use is a megaphone in the heavens? It is on earth that its frequency must be heard".

And then I remembered a dream I had had of casting crumbs on the waters for the doves to come and pick up and then noticing rising water levels. I knew it was time to stop casting those crumbs and I moved past a kitchen in the building, which had been repeatedly preparing the wrong meals and serving them at the wrong time. And I personally climbed up to a safe high position, where I would be safe from the rising waters. Now, obviously the kitchen that serves the wrong meals at the wrong time refers to that part of the church that has no understanding of the times. And so the Lord was having me cast crumbs on the waters in order to feed the doves, so that they would have understanding of the times.

Then the Lord began to speak in earnest. I have just turned 59, and so I am in my 60th year, and He said to me,

“You will bear much in your 60th year and you will keep standing. You will see. The year 5782 will be the year when a great weeping arises in the land of Egypt”.

and immediately I thought of the death of the firstborn of Egypt as the Destroyer passed over. You can read that in Exodus 12:30. And He continued,

“Grief will be the prevailing emotion in every nation under heaven, and you must choose your heart and your ears to another sound. You must press through all the wailing and the cacophony of loss, and reach upward to lay hold of the sweet sound of peace and silence that pervades my throne room at that time. Anchor yourself deep in the Rock of Ages. Silence dissenting voices within and centre yourself on My throne and the glory that fills the atmosphere there - and know that the onset of weeping in the world is an indicator of your soon expulsion from the world system”.

I remembered the Israelites in Egypt and how the weeping preceded their being galvanized into action to procure gold and silver and garments from the Egyptians. They did not get distracted by what was going on in Egypt, but were supremely focused on the blueprint of heaven for them. They reached into the chaos of Egypt and extracted what was needed for their next chapter. Then, marshalled in ranks, they moved out on cue, propelled by the decree of Pharaoh, who said, “Get out of my sight”. They were already dressed and girded. They had sandals on their feet, and they were well nourished by the Lamb. They moved through the frequency of grief, marching to a higher drum beat, synchronized with a different blueprint from the world's blueprint and harnessed to the word of God for them. Without a backward glance, they plunged forward into the unknown on the other side of life as ‘slaves in Egypt or the world system’.

The onset of the Great Wailing marked the moment that those set apart under the sound of the Blood began to move forward; their whole welfare and future in the hands of the God of Abraham, Isaac and Jacob. They did not draw back in fear or cower in their slave quarters. They moved under the direction of the proclamation given through

Moses. They also received an 'abbar kol', a transition sound, and within that transition sound were instructions to go to the Egyptians and get wealth - gold, silver, jewels and garments, for building the tabernacle in the wilderness.

As I said, we are two months into 5782. God has declared it will be a year of great wailing and mourning in the world. You cannot let the background noise of His righteous judgments distract you from fulfilling your instructions. He will keep in perfect peace those whose hearts are stayed on Him. Anchor your heart so firmly in Him that though the sound of a great destruction rages around you, you are filled with peace within, positioned in the eye of the storm. Put on the harness of the individual words which He has spoken in the depths of your heart. He has plotted your course and will bring you to your desired haven. Men's hearts will be failing them all around you, but you will be held still and calm in the midst of it all, knowing you are a citizen of another kingdom. He gives us power to hold ourselves calm in the days of adversity.

On the world stage, a fierce battle rages, but those hidden in the wings only observe the reward of the wicked. Nothing will harm those dwelling in the secret place of the Most High. Oh yes, a thousand will fall at your side and ten thousand at your right hand, but it will not come near you. His angels have charge over you. His heavenly messengers have been commissioned to protect you from all harm as you move forward. Lock your eyes on His face. Focus on the route plotted out for you ahead. Like a runner in the starting blocks. Let the crowd fade into insignificance as your ear is trained on the sound of the starter's gun. Position yourself for swift forward movement and be still deep within. All your training has brought you to this point. All the arduous preparation your heavenly Coach has put you through has made you fit for this moment.

All over the Earth, in every nation, your brothers and sisters in the Remnant Company are doing likewise. Feast on the Lamb; the revelation of Him, provided for you and be strengthened for the journey ahead. You move forward in His split-second timing, synchronized with heaven and guided by the pillar of cloud and fire. High above the sound of the great wailing that breaks out, there is the blast of the Jubilee shofar announcing the end of your slavery to the world system.

Stillness within is not sleep, you are alert and fully awake, your ears tuned to the command centre of heaven, your eyes fixed upon your appointed lane in the race, your

whole being yoked and harnessed to kingdom blueprints and divine instructions. Positioned under the shielding banner of the Blood, you are in a night of watching.

May the Lord open up and greatly magnify what I've shared with you here. I'd like to remind you of a portion of the word I referred to called 'A vision and a word from the Lord April 2020;'. The Lord said this:

“When they set the prices for food, you will know it is here, it has begun!”

“What has begun?” I asked.

“The Beast Kingdom, I will provide for you as I did for my children in Egypt during the famine. There will be Goshens; endtime refuges, and Josephs who supply what I have instructed them to store up. I will multiply meals, the loaves and fishes are the prototype. Lift up what you have and bless it, no matter how small, and I will feed all at the table with that offering. The animals will come and lay themselves down willingly that you may use them to feed a multitude. These will be days of glory and days of miracles. News media will come like bees to a honeypot and compete to carry the stories of My hand moving. And yes, this exposure will bring persecution, but I will shine brighter and brighter in you and those who seek to harm you will be blinded as in the days of Lot, when they sought to break down the door to lay hold of him. My angels know their dispatch orders and they stand ready to go to their posts, protecting My remnant. Only the rich shall hide in the caverns of the rocks. But you shall be rich in the presence and power of heaven in these days.”

Selah.

PS. I'd like to also just make you aware that I have posted a zip File of every word that I have ever released since 2005. I've made it available on my Storehouse page of the website, so you can download that and be led by the Holy Spirit as to what He would like you to read out of that. I call it a jewellery box of the nuggets that the precious Holy Spirit has shared with me and given me to share with the Bridal Company and the Remnant since the days I first began to write for Him.

So I greet you in the great love of the Lord, be strong in the Lord and in the power of his might in these days, Beloved. Amen.
