

Plucked Out by the Roots transcript

We are on the anniversary of the weekend when God gave an announcement to Noah that within seven days he was to be sealed in the ark and judgment was to roll out. Now, as I was searching for something on my laptop, I discovered a whole set of podcasts that I did in 2015 and 2016 on a separate podcast called The Back Burner. I had completely forgotten about them, but I was absolutely amazed when I looked at them and discovered that they are so in line with what the Holy Spirit is still saying seven years later. And among those podcasts was a whole series about coming out of Babylon or Egypt and also two podcasts about Noah sealed in the Ark. So, I have posted them on my website on the podcast page. Right at the top, there is a folder called 'Podcasts for 2015 and 16'. And in there you will find all these podcasts. I do invite you to download and listen to them because the Lord has obviously been adding layer upon layer upon layer to the very same truths for seven whole years.

Now, on the 5th of October, I had a dream that my right eye tooth fell out in my hand and I stared at it. The roots weren't broken off, it was completely whole and exposed. Then I woke up. And as I know that the word for 'tooth' in Hebrew means 'teaching', I understood that the Lord was going to be giving me a message concerning the removal of some teachers. So, the first thing the Lord did was indicate to me that in the dream, my mouth represented the mouth of the Lord and He connected to a scripture from Jeremiah, 15:19, where He says, *'if you return or repent, I will again give you a settled place of safety and you will be My minister. And if you separate the precious from the vile, you shall be My mouthpiece'*. So, we see among those 'teeth' or teachers that are considered to be part of God's mouthpiece, suddenly those that are part of the right eye tooth section are removed - plucked out by an unseen hand and the roots of the tooth or the teaching or the ministry are completely exposed.

Then the Holy Spirit led me to a scripture about the right eye, and it's in Matthew 5, it says *'if your right eye serves as a trap to ensnare you, causes you to stumble, pluck it out and throw it away. It is better that you lose one of your members, then that your whole body be cast into hell'*. And the Holy Spirit began to give me understanding that some of those teachers who represent or are positioned as the 'right eye teacher' are causing his Body to stumble and to sin and be ensnared, and God's hand is going to pluck them out and cast them away, because it is better that these ones are removed, rather than that the whole Body be cast into hell. So why is the Lord talking about eyes and eye-teeth? Matthew 6:22 says *'the eye is the lamp of the body. So, if your eye is sound, your entire body will be full of light. But if your eye is unsound (or the King James says 'evil'), the whole body will be full of darkness and then the very light in you is darkness and how dense is that darkness'*. So, God is giving warning that He is going to be suddenly plucking out, removing completely out of their seats, teachers and ministers that are known as part of His collective mouthpiece. He is going to be plucking out those whose eye has become darkened, because what they are teaching is actually darkness disguised as light, and it is poisoning the Body and causing the whole Body to become full of darkness. And God does not want those 'right eye-tooth' teachers causing the Body to stumble or to continue to influence His Body further so that the whole Body is cast into hell.

Then he took me to Zechariah 11:16. And it says this:

'I will raise up a false shepherd in the land, the lost and the perishing he will not visit; the young and scattered he will not seek; the wounded and broken he will not heal, nor will he feed those that are sound and strong, but he will eat the flesh of the fat ones, break off their hooves ...and then verse 17 is the most important:

'woe to the worthless shepherd who deserts the flock. The sword shall smite his arm and his right eye. His arm shall be utterly withered and his right eye utterly blinded.

So, shall we see that there is a judgment that is executed on worthless and false shepherds who have caused the sheep to be scattered, to be hungry and to be unhealed, and the sword of judgment will remove their strength and they will be utterly darkened or plucked out. In other words, they will no longer be functioning as part of the collective mouthpiece of the Lord because they are worthless shepherds. The little light that they possessed will be taken from them and their spiritual eye will be utterly darkened. So, Beloved, expect the deaths of prominent teachers and ministers and pastors who are idols in the Body; those who are poisoning the Body with their teachings, because the light that was that was within them has become darkness.

When my right eye-tooth fell out in my dream, there was no pain involved for my body. I just experienced amazement that this should happen. It wasn't pulled out like a dentist pulls out a tooth with pliers. It just fell out, like a seed falls to the ground and dies. That right eye-tooth fell out into my hand. And its roots were completely exposed. Oh, how terrifying to fall into the hand of the Living God as a result of judgment against you. These teachers, ministers and shepherds that are plucked out by the hand of God and the judgment of God will have the roots of what they have ministered, what they have taught and what they have been feeding the Body, exposed and recognized as darkness.

The other scripture that the Lord connected was Chapter 34 of Ezekiel:

‘Son of man, prophesy against the Shepherds of Israel; prophesy and say to them, woe to the shepherds who feed themselves. Should not the shepherds feed the sheep (very much the same as Zachariah, 11:16 and 17). The diseased and the weak you have not strengthened. Those which have gone astray you have not brought back, but with force and harshness, you have ruled them and they were scattered because there was no shepherd and when they were scattered, they became food for all the wild beasts of the field’.

And then the Spirit took me to John:10:12:

*‘But the hired servant (he who merely serves for wages) who is neither the shepherd nor the owner of the sheep, when he sees the wolf coming, deserts the flock and runs away. And the wolf chases *and* snatches them and scatters [*the flock*]. Joh 10:13 Now the hireling flees because he merely serves for wages and is not himself concerned about the sheep [*cares nothing for them*].’*

Then finally, I was referred to part of the judgment of Babylon; where it says in Revelation, *‘there will not even be the light of a candle there again’*, we see the eye being utterly darkened in those who are really a part of Babylon. Now this is a very serious warning that the Holy Spirit is giving, because these teachers and ministers are considered widely to be part of the collective mouthpiece of God. That means that there are many people who follow their words. There are many people who use their words as light for their paths, and therefore it's going to be shocking for the Body when suddenly, one after the other, a large number of prominent ministers and teachers in the Body of Christ; those that have been looked to as the eye of the Body, as teachers that can show you what way to walk, when they very suddenly die. But know this, that it is the hand of God that has removed them, because the light in them has become darkness.

The Holy Spirit did not say this, but what came to my mind when He was sharing this message with me were a number of prominent ministers who have widely promoted and urged their sheep to be impaled with the witch's brew that is on offer. During the process of receiving this message, the Lord also highlighted two other messages that he's given me. The one was shared in July of 2019. The message is called 'The Cleansing of His Mouth', and the other one was given in June 2021, and it was called 'And the He-Goats shall Fall'. And in that second message, He spoke about suddenly taking the lives of those who were goats and not sheep - who had large congregations around them. A few days after the Lord spoke that warning, a very prominent minister in Nigeria suddenly died. He was a man who operated very powerfully in witchcraft and water spirits - and yet he masqueraded as a man of God, and many people have been swallowing that poisoned water which that man had poured out. So I have got the fear of God upon me as I release this warning, because I have a sense that soon after it is released, the first death of one of those who are considered to be part of God's purported mass mouthpiece will fall to the ground and die.

I also just want to share with you a very interesting scripture concerning both eyes and teeth. It is in Exodus 21 26:

'If a man hits the eye of his bond servant or the eye of his maid servant so that it is destroyed, he shall let him go free for his eye's sake. And if he knocks out his bondservant's tooth or his maidservants tooth, he shall let him go free for his tooth's sake'.

So, here we see the blinding or darkening of an eye and the removal of a tooth being connected to freedom or jubilee for the bondservant. So, I just want to add that many bondservants of the living God are going to be set free by this removal

of the 'right eye-tooth' bunch, who have become utterly darkened. When the roots of those ministries are exposed, veils will tear and chains will fall off.

This is the word of the Lord. I pray that I've delivered it clearly and accurately. May God have mercy upon His sheep and may He Himself, the Great Shepherd of the sheep, gather those who have been scattered and bring back those who have been wounded and bandage them. In the mighty name of Jesus.
