

## How to Send a Blessing in a New Season

Precious saints,

After prayer, I have decided to CLOSE MY PAYPAL ACCOUNT, even though it is the primary method readers have used to sow into my ministry or send a blessing. I apologize for the inconvenience, but do suggest you also pray about using this platform if you hold alternative beliefs to mainstream media views. Coming out of Babylon is now taking place on many fronts.

Thankfully, I have found 3 other methods you can use to send finance internationally. None of these platforms charge you to send money. If you should be led by the Lord to sow, **PLEASE MARK YOUR DONATION AS 'GIFT'**. Below are the 3 platforms I have researched and links describing how to use them.

May you be led by the Spirit in all things!

In His service joyfully, always!

Christine
