

My holy remnant  
Shut up and stayed  
Reserved and hidden  
Kept for this day

Chorus:  
Arise and shine  
Arise and shine  
This is your moment  
My set time  
Arise and shine  
Arise and shine  
Though there is darkness  
My glory comes  
Arise and shine

My holy remnant  
Clothed all in white  
Pure and holy  
Clean in My sight

My holy remnant  
Filled with My power  
My battle weapon  
Released in this hour

Arise and shine  
Arise and shine  
This is your moment  
My set time  
Arise and shine  
Arise and shine  
Though there is darkness  
My glory comes  
Arise and shine

Rightly dividing  
Through My Word  
Arrows of judgment  
Truth you've heard

My weapon of war  
Polished and honed  
Carrying My fire  
Deep in your bones

Arise and shine  
Arise and shine  
This is your moment  
My set time  
Arise and shine  
Arise and shine  
Though there is darkness  
My glory comes  
Arise and shine

Born for this moment  
Faces unknown  
My holy remnant,  
Finishing stone

But this is My Bride  
Blessed and broken

Sent through the earth

Released this moment  
Fiery and pure

Some say 'diablos'

Sons who are faithful
